Expected Periodicity Periodic.

Comments Objective 15-31 moved from developmental to measurable at the Healthy People 2010 Midcourse Review. The objective text was revised from “head, face, eye, and mouth protection” to “appropriate protective gear”. Three subobjectives were created, focusing on physical education, interscholastic sports, and intramural activities or physical activity clubs.

See Part C for a discussion of SHPPS and Appendix A for focus area contact information.
