

Tip Sheet: Finalizing the 607 Continued Anti-Tuberculosis Treatment as Incomplete

This tip sheet has been developed for the U.S. Department of State (DOS) to assist panel clinics to finalize an incomplete 607 exam where the applicant does not wish to proceed with their required health exam(s).

Finalizing incomplete exam

Step 1. Open the **All exams summary** screen

Step 2. Open the **607 Continued anti-tuberculosis treatment** exam that you will not be completing and press the **Finalize incomplete** button

Note: You will only be able to Finalize-incomplete the **607** exam, if the applicant is seeking a waiver, with a reason of **Class A TB applying for Waiver** and case must be classified **Class A TB**.
