Visita al doctor :30

[MUSICA]

[SE OYE A UN BEBÉ]

MAMÁ: Hola doctor, estamos aquí para el chequeo de Isabela.

DOCTOR: ¿Hola linda, tienes ocupados a tus padres?

[SE OYE A UNA NIÑA RIÉNDOSE].

MAMÁ: Si! Pusimos rejitas de bebé por toda la casa para tenerla segura!

DOCTOR: Otra manera de tenerla segura es con las vacunas.

ANUNCIADOR: Las vacunas son la mejor manera de proteger contra 14 enfermedades prevenibles. Hable con su doctor. Con salud, todo es posible. Para más información, llame al 1-800-232-4636

ANUNCIADOR: Un mensaje de los Centros para el Control y la Prevención de Enfermedades.

Visita al doctor radio Transcript 60 seconds

[MUSICA]

DOCTOR: Buenas, veo que Isabela está aquí para su chequeo.

[SE OYE A UN BEBÉ].

DOCTOR: ¿Hola linda, tienes ocupados a tus padres?

MAMÁ Y PAPÁ: Si!

[SE OYE A UNA NIÑA RIÉNDOSE]

PAPÁ: Especialmente ahora que se está gateando.

MAMÁ: Pusimos rejitas de bebé por toda la casa para tenerla segura!

DOCTOR: Otra manera de tenerla segura es con las vacunas. Las vacunas que está recibiendo Isabela antes de los dos años la protegerán contra enfermedades infantiles muy serias como la tos ferina y el sarampión.

ANUNCIADOR: Usted hace todo lo posible para mantener a su bebe sano, asegurando que su casa este a prueba de bebe, usando una silla de carro, y llevándolo a sus chequeos médicos.

ANUNCIADOR: Siguiendo el calendario de inmunización recomendado es una de las mejores maneras de proteger a su hijo contra 14 enfermedades infantiles antes que cumpla los dos años.

ANUNCIADOR: Hable con su doctor. Para aprender más visite <http://www.cdc.gov> o llame 1-800-232-4636. Con salud, todo es posible.

ANUNCIADOR: Un mensaje de los Centros para el Control y la Prevención de Enfermedades.
