

**NPCR 2019 PROGRAM REVIEW MTG
DISCUSSION QUESTIONS**

**Addressing Future Needs Breakout Sessions
Wednesday, April 24, 2019**

(3 facilitators [Henley, King, Brooks] / 3 note takers [Douglas, Jim, Jones],
Auditorium A, Room 247, Room 248)

- What data elements are researchers and policy makers requesting in your state?
- What data should be collected for future (biomarkers, prognostic factors, staging)?
 - EOD: what are the benefits and challenges?
 - TNM: how does your state use it?
 - Missing Resources/Needs; what is not currently being addressed?
