

## Physical Education and Activity

Has a district PE coordinator			
Requires each school to have a PE coordinator			
Requires or encourages schools to follow		•	
national or state PE standards or		• <sup>2</sup>	
guidelines		-	
Has PE standards or guidelines based on			
the National Standards for Physical		•	
Education			
Addresses the following topics in goals and	objectives:		
	Elementary	Middle	High
	Schools	Schools	Schools
Achievement and maintenance of			
health-enhancing level of physical	•	•	•
fitness			
Competence in motor skills and			
movement patterns to perform	•	•	•
variety of physical activities			
Regular participation in physical			
activity	•	•	•
Responsible personal and social			
behavior that respects self and	•	•	•
others in physical activity settings	_	_	_
Understanding of movement			
concepts, principles, strategies, and	•	•	•
tactics			
Value for physical activity for health,			
enjoyment, challenge, self-	•	•	•
expression, and/or social interaction			
Requires that schools will teach PE	•	•	•
Students can be exempted from physical ec			1
	Elementary	Middle	High
	Schools	Schools	Schools
Religious reasons	•		•
Long-term physical or medical	?	?	?
disability Cognitive disability	0	0	0
High physical competency test score	0	0	0
Participation in school activities other			-
than sports, such as band or chorus	0	0	0
Participation in community sports			
activities	0	0	0
Participation in community service	<u> </u>	<u> </u>	<u> </u>
activities	0	0	0
Requires or recommends that schools give	the following types	s of tests:	
	Elementary	Middle	High
	Schools	Schools	Schools
Written tests of knowledge	$\bigcirc^2$	• <sup>2</sup>	• <sup>2</sup>
		-	

Skill performance tests	$\Theta^2$	$\Theta^2$	$\Theta^2$
Fitness level tests	$\Theta^2$	$\Theta^2$	$\Theta^2$
Requires or recommends that districts or schools use one particular curriculum for PE	• <sup>2</sup>	• <sup>2</sup>	• <sup>2</sup>
Requires or recommends that schools use t	he following specif	fic fitness tests:	
	Elementary Schools	Middle Schools	High Schools
Fitnessgram	$\Theta^2$	$\Theta^2$	$\Theta^2$
The Physical Fitness Test from the President's Challenge	$\Theta^2$	$\Theta^2$	• <sup>2</sup>
The Health Fitness Test, from the President's Challenge	?2	?2	? <sup>2</sup>
The Youth Fitness Test, from the YMCA	<b>?</b> <sup>2</sup>	? <sup>2</sup>	?2
Any other fitness test	<b>?</b> <sup>2</sup>	$\Theta^2$	$\Theta^2$
Provided the following information or materi	als for PE during th	ne past two years	
	Elementary Schools	Middle Schools	High Schools
Chart describing scope and			
sequence of instruction	•	•	•
Curriculum	•	•	•
Lesson plans or learning activities	•	•	•
List of recommended curricula	•	•	•
Plans for how to assess or evaluate students	•	•	•
Specifies a maximum student-to-teacher ratio for PE classes	•	•	•
Has specified time requirements for PE	•	•	•
Requires newly hired PE teachers to have undergraduate or graduate training in PE or a related field	•	•	•
Requires newly hired PE teachers to be			
certified, licensed, or endorsed by the state	•	•	•
Provided funding for staff development or of	ffered staff develop	oment to PE teach	ers during the
past two years on the following topics:	·		-
Administering or using fitness tests		$\bullet$	
Assessing or evaluating student		•	
performance		-	
Developing and using student		0	
portfolios		Ű,	
Developing individualized physical activity plans		•	
Encouraging family involvement in physical activity		●	
Injury prevention and first aid			
Methods for inclusion and participation of overweight children		0	

Г

time students are active       •         Methods to promote gender equity       •         Recognizing and responding to chronic health conditions       •         Teaching individual or paired activities or sports       •         Teaching movement skills and concepts       •         Teaching students with long-term disabilities       •         Teaching team or group activities or sports       •         Using physical activity monitoring devices       •         Using technology for PE       •         Did the following to promote physical education during the past 12 months:         Provided families with information on school physical education       •         Offered physical education for families       •         Provided district or school personnel with information on school physical education       •         Sought positive media attention for school physical education       •         Sought positive media attention for school physical education       •         Physical education policies       •         Physical education curricula       •         Physical education curricula       •         Physical education staff development or in-service programs       •         Requires or recommends that elementary schools provide regularly scheduled recess       •²         Prohibits or actively discourages sc
Recognizing and responding to chronic health conditions       •         Teaching individual or paired activities or sports       •         Teaching movement skills and concepts       •         Teaching students with long-term disabilities       •         Teaching team or group activities or sports       •         Using physical activity monitoring devices       •         Using technology for PE       •         Did the following to promote physical education during the past 12 months:         Provided families with information on school physical education       •         Offered physical education for families       •         Provided district or school personnel with information on school physical education       •         Sough positive media attention for school physical education       •         Sough topsitive media attention for school physical education policies       •         Physical education policies       •         Physical education curricula       •         Physical education staff development or in-service programs       •         Requires or recommends that elementary schools provide regularly scheduled recess       •²         Prohibits or actively discourages schools from the following:       •²         Using physical activity as punishment for bad behavior in PE       •³

development or in-service programs         Requires or recommends that elementary schools provide regularly scheduled recess         Prohibits or actively discourages schools from the following:         Using physical activity as punishment for bad behavior in PE
Requires or recommends that elementary schools provide regularly scheduled recess       •²         Prohibits or actively discourages schools from the following:       •²         Using physical activity as punishment for bad behavior in PE       •³
schools provide regularly scheduled recess     •²       Prohibits or actively discourages schools from the following:     •²       Using physical activity as punishment for bad behavior in PE     •³
recess       Prohibits or actively discourages schools from the following:         Using physical activity as punishment for bad behavior in PE $\Theta^3$
Prohibits or actively discourages schools from the following:         Using physical activity as punishment         for bad behavior in PE
Using physical activity as punishment for bad behavior in PE
for bad behavior in PE
Using physical activity as punishment
for poor performance or bad behavior $\mathbf{e}^3$
in sports
Excluding students from PE as
punishment for bad behavior in $\bullet^3$
another class
Excluding students from recess as
punishment for bad behavior
Requires student use of protective gear during the following activities:
Physical education O
Intramural activities or physical
activity clubs
Interscholastic sports

Provided funding for staff development or	
offered staff development to	
interscholastic sports coaches during the	$\bullet$
past two years	

This publication was prepared by the Centers for Disease Control and Prevention (CDC). It summarizes district-level data collected during the School Health Policies and Programs Study (SHPPS) 2006 from each of the 22 local education agencies funded by the Division of Adolescent and School Health. SHPPS is conducted periodically to monitor the extent to which school health policies and practices are addressing the leading causes of death, illness, and social problems among young people and adults.

**For additional information** on SHPPS or to order SHPPS publications, contact the Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Division of Adolescent and School Health, 4770 Buford Highway, NE, Mailstop K-33, Atlanta, GA 30341-3717; 800-CDC-INFO; www.cdc.gov/shpps.
