drinking water outlets	_
Has implemented an engine idling	0
reduction program for school buses	
Requires the purchase of low-emitting	
products for use in and around the school	0
and school grounds	
Requires the inclusion of green design	
when building new school buildings or	•
renovating existing buildings  Has an individual in the district who	
oversees custodial, maintenance, and	
environmental issues at schools in the	•
district	
Requires newly hired person overseeing	
custodial, maintenance, and environmental	
issues to have formal training in issues	
related to the physical environment of	•
buildings and health hazards likely to be	
encountered in schools	
Has adopted a policy on inspection or mainte	enance of the following school facilities and
equipment:	g
Fire extinguishers	•
Indoor athletic facilities and equipment	•
Lighting inside school buildings	•
Lighting outside school buildings	•
Other school areas, such as halls,	
stairs, and regular classrooms	•
Outdoor athletic facilities and	
equipment	•
Playground facilities and equipment	•
Smoke alarms	•
Special classroom areas, such as labs,	
workshops, and art rooms	•

Sprinkler systems	•
Requires schools to conduct the following pe	riodic inspections:
Building foundation, walls, and roof	•
Condensation	0
Drinking water outlets for lead	•
Heating, ventilation, and air	
conditioning (HVAC) system	•
Mold	0
On-site large-capacity drinking water	
tanks	O
Pests	0
Plumbing system	0
Requires Phase I environmental	
assessments	•
Requires schools meet the American	
Society of Heating, Refrigerating and Air	0
Conditioning Engineers (ASHRAE)	O
ventilation standard	
Has a policy regarding how schools should	
address mold problems	•
Requires schools to respond to moisture-	
related issues within 48 hours or less	•
Requires schools to keep relative indoor	0
humidity below 60 percent	O
Has an indoor air quality management	0
system	
Requires or recommends that schools use	. 2
spot treatments rather than widespread	$ullet^2$
applications of pesticides	
Requires that students wear appropriate prot	ective gear when engaged in the following:
Classes such as wood shop or metal	0
shop	
Lab activities for photography or	0
science classes	
District is a member of the local emergency	•
planning committee	
Requires schools to have crisis preparedness	s, response, and recovery plans that include:
Establishment of an incident command	•
system	
Evacuation plans	•
Exterior control of building and	•
grounds

Lock down plans	•
Mechanisms for communicating the	•
plan to students' families	
Mechanisms for communicating with	•
school personnel	
Plans to resume normal activities	•
Provision of mental health services	

Provisions for special needs students and staff	•
Procedures for responding to media	
inquiries	•
Requirements to conduct regular	
emergency drills	•
Requirements to periodically review	
and revise plans	•
Shelter-in-place plans	•
Requires or recommends that schools	
restrict the distribution of products	<b>_</b> 2
promoting candy, fast food restaurants or	
soft drinks to students	
Prohibited from selling soft drinks produced	0
by more than one company	<u> </u>
Permits soft drink companies to advertise	0
in school buildings	<u> </u>
Permits soft drink companies to advertise	0
on school grounds	<u> </u>
Adopted a policy that supports or promotes	0
walking or biking to and from school	
Provided model policies to schools during the	e past two years on the following topics:
Alcohol-use prevention	•
Bullying prevention	•
Crisis preparedness, response, and	•
recovery	
Drinking water quality	0
Green building design	•
Illegal drug-use prevention	•
Indoor air quality	0
Integrated pest management	•
Positive school climate	•
Tobacco-use prevention	•
Violence prevention	•
	ered staff development to school faculty and staff
	nt policies and programs related to the following
topics:	
Alcohol-use prevention	•
Bullying prevention	•
Crisis preparedness, response, and	•
recovery	
Drinking water quality	0
Green building design	•
Illegal drug-use prevention	
Indoor air quality	0
Integrated pest management	0
Positive school climate	
Tobacco-use prevention	•
Violence prevention	•

## Faculty and Staff Health Promotion

Has a district-level faculty and staff health	0
promotion coordinator	)
Requires each school to have a faculty and	
staff health promotion coordinator	
	nealth screenings to faculty and staff during the
past 12 months:	
Blood pressure	•
Breast cancer	•
Colorectal cancer	•
Diabetes	•
Height and weight or body mass	•
Oral health	•
Serum cholesterol	•
Skin cancer	•
Provided funding for or offered the following h	nealth-related activities to faculty and staff during
the past 12 months:	
Asthma management education	•
Conflict resolution education	0
Counseling for emotional disorders	•
CPR education	•
Crisis intervention for personal	
problems	•
Diabetes management education	•
Emergency preparedness	•
Nutrition education	•
Physical activity and fitness counseling	•
Pre- or post-natal education	0
Stress management education	•
Tobacco-use cessation	•
Weight management	•
Worksite safety education	•
	nealth-related services to faculty and staff during
the past 12 months:	<b>3</b>
Identification of or referrals for abuse	•
Immunizations	•
Referrals for child or elder care	•
Referrals for oral health problems	•
	programs for faculty and staff during the past 12
months:	3 · · · · · · · · · · · · · · · · · · ·
Employee Assistance Program (EAP)	•
Health risk appraisals	•
Physical activity programs	•
Faculty and staff receive subsidies or	
discounts for off-site health promotion	
activities	•
Requires school physical activity facilities	
be made available for faculty and staff to	0
use

Requires faculty and staff to receive the following health screenings during employment:	
Physical health examinations	O <sup>12</sup>
TB testing	O <sup>12</sup>
Illegal drug-use screening	O <sup>12</sup>
Offers the following types of health insurance coverage to faculty and staff:	
Alcohol- or other drug-use treatment	•
Dental care	•
Immunizations	•
Mental health care	•
Preventive health care	•
Vision care	•

This publication was prepared by the Centers for Disease Control and Prevention (CDC). It summarizes district-level data collected during the School Health Policies and Programs Study (SHPPS) 2006 from each of the 22 local education agencies funded by the Division of Adolescent and School Health. SHPPS is conducted periodically to monitor the extent to which school health policies and practices are addressing the leading causes of death, illness, and social problems among young people and adults.

**For additional information** on SHPPS or to order SHPPS publications, contact the Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Division of Adolescent and School Health, 4770 Buford Highway, NE, Mailstop K-33, Atlanta, GA 30341-3717; 800-CDC-INFO; www.cdc.gov/shpps.
