

**Healthy and Safe School Environment**

6.1 <sup>1</sup>	Has a group formally charged with coordinating state-level school health activities	<input type="radio"/> <sup>2</sup>
	Provided funding for or offered to help establish a group that offers guidance on the development of policies or coordinates activities on health topics during the past two years	<input checked="" type="radio"/>
6.2	Prohibits weapon use by students on school property and at off-campus, school-sponsored events	<input checked="" type="radio"/> <sup>11</sup>
	Prohibits physical fighting by students on school property and at off-campus, school-sponsored events	<input type="radio"/> <sup>11</sup>
	Prohibits weapon possession by students on school property and at off-campus, school-sponsored events	<input checked="" type="radio"/> <sup>11</sup>
	Prohibits bullying by students on school property and at off-campus, school-sponsored events	<input type="radio"/> <sup>11</sup>
6.3	Requires districts or schools to report to the state on the number of times students are caught:	
	Fighting	<input type="radio"/>
	Possessing a handgun or other firearm	<input checked="" type="radio"/>
	Possessing any other weapon	<input checked="" type="radio"/>
	Using a handgun or other firearm	<input checked="" type="radio"/>
	Using any other weapon	<input checked="" type="radio"/>
6.4	Prohibits cigarette smoking by students	<input checked="" type="radio"/>
	Prohibits cigar or pipe smoking by students	<input checked="" type="radio"/>
	Prohibits smokeless tobacco use by students	<input checked="" type="radio"/>
	Prohibits cigarette smoking by faculty and staff during any school-related activity	<input checked="" type="radio"/>
	Prohibits cigar or pipe smoking by faculty and staff during any school-related activity	<input checked="" type="radio"/>
	Prohibits smokeless tobacco use by faculty and staff during any school-related activity	<input checked="" type="radio"/>
	Prohibits cigarette smoking by school visitors	<input checked="" type="radio"/>
	Prohibits cigar or pipe smoking by school visitors	<input checked="" type="radio"/>
	Prohibits smokeless tobacco use by school visitors	<input checked="" type="radio"/>

6.5	Prohibits cigarette smoking and smokeless tobacco use by students on campus	●
	Prohibits cigarette smoking and smokeless tobacco use by students off campus	●
	Prohibits cigarette smoking and smokeless tobacco use by faculty and staff on campus	●
	Prohibits cigarette smoking and smokeless tobacco use by faculty and staff off campus	●
	Prohibits cigarette smoking and smokeless tobacco use by school visitors on campus	●
	Prohibits cigarette smoking and smokeless tobacco use by school visitors off campus	●
	Prohibits all types of tobacco use in all locations	○
6.6	Prohibits tobacco advertisements in the following locations and ways:	
	In the school building	●
	On school grounds	●
	In school vehicles	●
	In school publications	●
	Through sponsorship of school events	●
	On apparel worn or merchandise carried by students	○
6.7	Has adopted a policy on inspection or maintenance of the following school facilities and equipment:	
	Fire extinguishers	●
	Indoor athletic facilities and equipment	○
	Lighting inside school buildings	●
	Lighting outside school buildings	○
	Other school areas, such as halls, stairs, and regular classrooms	○
	Outdoor athletic facilities and equipment	○
	Playground facilities and equipment	○
	Smoke alarms	●
	Special classroom areas, such as labs, workshops, and art rooms	●
Sprinkler systems	●	
6.8	Requires districts and schools to conduct the following periodic inspections:	
	Building foundation, walls, and roof	○
	Condensation	○
	Drinking water outlets for lead	○
	Heating, ventilation, and air conditioning (HVAC) system	●
	Mold	○
	On-site large-capacity drinking water tanks	○
	Pests	●
	Plumbing system	○
6.9	Requires Phase I environmental assessments	○
	Requires districts or schools to have an indoor air quality management program	○
6.10	Requires or recommends that districts or schools follow an integrated pest management program	● <sup>3</sup>

6.11	Requires that students wear appropriate protective gear when engaged in the following:	
	Classes such as wood shop or metal shop	●
	Lab activities for photography or science classes	●
6.12	State education agency is a member of the state emergency planning committee	
		●
6.13	Requires districts or schools to have crisis preparedness, response, and recovery plans that include:	
	Establishment of an incident command system	○
	Evacuation plans	○
	Exterior control of building and grounds	○
	Family reunification procedures	○
	Lock down plans	○
	Mechanisms for communicating the plan to students' families	○
	Mechanisms for communicating with school personnel	○
	Plans to resume normal activities	○
	Provision of mental health services	○
	Provisions for special needs students and staff	○
	Procedures for responding to media inquiries	○
	Requirements to conduct regular emergency drills	○
	Requirements to periodically review and revise plans	○
Shelter-in-place plans	○	
6.14	Provided model policies to districts or schools during the past two years on the following topics:	
	Alcohol-use prevention	●
	Bullying prevention	●
	Crisis preparedness, response, and recovery	●
	Drinking water quality	○
	Green building design	○
	Illegal drug-use prevention	●
	Indoor air quality	○
	Integrated pest management	○
	Positive school climate	●
	Tobacco-use prevention	●
	Violence prevention	●

6.15	Provided funding for staff development or offered staff development to districts or schools during the past two years on how to implement policies and programs related to the following topics:	
	Alcohol-use prevention	●
	Bullying prevention	●
	Crisis preparedness, response, and recovery	●
	Drinking water quality	●
	Green building design	●
	Illegal drug-use prevention	●
	Indoor air quality	●
	Integrated pest management	●
	Positive school climate	●
	Tobacco-use prevention	●
	Violence prevention	●

## Footnotes

<sup>1</sup> Numbers refer to tables in *State-Level School Health Policies and Practices: A State-by-State Summary from the School Health Policies and Programs Study 2006*, which includes information from all 50 states and the District of Columbia. This document can be downloaded at [www.cdc.gov/HealthyYouth/SHPPS/2006/summaries/index.htm](http://www.cdc.gov/HealthyYouth/SHPPS/2006/summaries/index.htm).

This publication was prepared by the Centers for Disease Control and Prevention (CDC). It summarizes state-level data collected from each of the 50 states and the District of Columbia during the School Health Policies and Programs Study (SHPPS) 2006. SHPPS is conducted periodically to monitor the extent to which school health policies and practices are addressing the leading causes of death, illness, and social problems among young people and adults.

**For additional information** on SHPPS or to order SHPPS publications, contact the Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Division of Adolescent and School Health, 4770 Buford Highway, NE, Mailstop K-33, Atlanta, GA 30341-3717; 800-CDC-INFO; [www.cdc.gov/shpps](http://www.cdc.gov/shpps).
