Question ID: FDB.001_00.000

Instrument Variable Name: FDRN_FLG

Final Documentation Name: FDRN_FLG

Universe:

Description:

Sources:	None
Recodes:	None
Keywords:	Disability Questions Test; flag
Notes:	This variable indicates whether the family was selected to receive the Family Disability (FDB; all persons 1 year and older) section. Sample adults in families with a value of 2 for FDRN_FLG were also selected to receive the AFD (Adult Functioning and Disability) section.

Disability Questions flag

1	Families selected to receive AFD (sample adults) section
2	Families selected to receive FDB (all persons 1 year and older) section

---

Question ID: AFD.090_00.000

Instrument Variable Name: VIS_0

Final Documentation Name: VIS_0

Now I am going to ask you some questions about your ability to do different activities, and how you have been feeling. Although some of these questions may seem similar to ones you have already answered, it is important that we ask them all.

Do you wear glasses?

Universe:	ASTATFLG='1' and (AGE GE '018' and AGE not IN ('997','999')) and FDRN_FLG='1"
Description:	Sample adults 18+ who were asked the family disability questions (FDB) and were randomly selected to receive the Functioning and Disability (AFD) section

---

Sources:	None
Recodes:	None
Keywords:	vision problems; eyeglasses
Notes:	FDRN_FLG is located on the Person file, and indicates respondents who were randomly selected to receive the Functioning and Disability (AFD) questions. This file has its own case weight (WTFA_AFD); please see the documentation accompanying the Adult Functioning and Disability file for more information on how to use the AFD variables. Users should be aware that many of the variables in the 2012-2015 AFD files were also included in the 2011 AFD and the 2010 Quality of Life (QOL) files.

Does respondent wear glasses?

1	Yes
2	No
7	Refused
8	Not ascertained
9	Don't know

9	Don't know

Question ID: AFD.470_00.000

Instrument Variable Name: DEP_3

Final Documentation Name: DEP_3R

Thinking about the last time you felt depressed, how depressed did you feel? Would you say a little, a lot, or somewhere in between?

Universe:	ASTATFLG='1' and (AGE GE '018' and AGE not IN ('997','999')) and FDRN_FLG='1' and (DEP_1 IN ('1','2','3','4','7','9') OR DEP_2 IN ('1','7','9'))
Description:	Sample adults 18+ who were asked the family disability questions (FDB) and were randomly selected to receive the Functioning and Disability (AFD) section, and felt depressed daily, weekly, monthly, a few times a year, or refused to answer or didn't know how often they felt depressed OR who took medication for depression, or refused to answer or didn't know if they took medication for depression

Sources:	None
Recodes:	None
Keywords:	depression
Notes:	FDRN_FLG is located on the Person file, and indicates respondents who were randomly selected to receive the Functioning and Disability (AFD) questions. This file has its own case weight (WTFA_AFD); please see the documentation accompanying the Adult Functioning and Disability file for more information on how to use the AFD variables. DEP_3R in the 2012-2015 AFD files is comparable to DEP_3 in the 2011 AFD and 2010 QOL files.
Test:	Find testing evaluation report at https://wwwn.cdc.gov/qbank/Surveys/NHIS.aspx

How depressed you felt last time you were depressed?

1	A little
2	A lot
3	Somewhere in between a little and a lot
7	Refused
8	Not ascertained
9	Don't know

Question ID: AFD.500_00.000

Instrument Variable Name: PAIN_2

Final Documentation Name: PAIN_2A

In the past 3 months, how often did you have pain? Would you say never, some days, most days, or every day?

Universe: ASTATFLG='1' and (AGE GE '018' and AGE not IN ('997','999')) and FDRN_FLG='1' and CHPAIN6M IN('2','3','4','7','9')

Description: Sample adults 18+ who were asked the family disability questions (FDB) and were randomly selected to receive the Functioning and Disability (AFD) section and had pain some days, most days, or every day in the past 6 months or refused to answer or did not know how often they had pain in the past 6 months

---

Sources: None

Recodes: None

Keywords: pain

Notes: FDRN_FLG is located on the Person file, and indicates respondents who were randomly selected to receive the Functioning and Disability (AFD) questions. CHPAIN6M is located in the ACN section of the Sample Adult file, and indicates respondents who had pain in the past 6 months. The Functioning and Disability file has its own case weight (WTFA_AFD); please see the documentation accompanying the Adult Functioning and Disability
file for more information on how to use the AFD variables. Because it has a different universe, PAIN_2A is not comparable with PAIN_2 in earlier Functioning and Disability files.
