

## 2021 National Health Interview Survey (NHIS) Questionnaire

### Contents

#### 1. Introduction

This National Health Interview Survey (NHIS) questionnaire report provides the questions administered to NHIS respondents in the order they were asked. It is organized hierarchically into these parts: Contents, Index, and NHIS questionnaire, which in turn includes the Roster, Adult and Child modules.

#### 2. Section Index

A section index is provided for each of the three modules: Roster, Adult, and Child. The index can be navigated via the Bookmarks pane to quickly get information about the different sections in the module. The display pane lists information about each section in the module including the three-letter section name, the section description, the type of content in the section (annual core, rotating core, sponsored or emerging content) and the page range in this document for each section for ease of printing.

#### 3. NHIS questionnaire: Roster, Adult and Child modules

The questionnaire is the main part of the report and provides detailed information about each question in the survey. The hierarchy in the Bookmarks pane has three levels: module (Roster, Adult, Child), sections within each module, and questions within each section represented by the variable name in the instrument. The sections and questions are listed in questionnaire order. Selecting a specific question in the Bookmarks pane will display a detailed report for that question in the display pane while selecting a section abbreviation will display the report for the first question in the section.

In the question text field of the report, text displayed in **bold and in blue font** is an interviewer instruction which is sometimes followed by optional text in *gray, italic font*.

#### Information provided for each question includes:

- Question ID: unique alphanumeric code for each question beginning with the 3-letter section abbreviation
- Variable: instrument variable name for the question
- Interview Module: module where the question is located: Roster, Adult, or Child
- Content Type: indicates whether the question is part of the Annual Core, Rotating Core, Sponsored Content or Emerging Content
- Question Text: question wording administered to respondent with indicators for fills; may also include interviewer instructions
- Fills: table of contextual text substitutions that are filled into the question text
- Response: table of possible responses to the question
- Universe: group of respondents who received the question
- Skip Instructions: instructions for moving to the next question in the questionnaire

#### Additional information may include:

- Hard Edit: prompt received when response entered is not allowed; response must be changed in order to proceed
- Soft Edit: prompt received when response entered is questionable; must follow instructions in order to proceed
- Replicate To: indicates family-level information obtained in the Sample Adult interview that is copied to a replicated variable in the Sample Child and vice versa for efficiency when the Sample Child and the Sample Adult are in the same family.

Questions added in 2021 Q2

Adult:ASP (Aspirin)

Question ID	Section Name	Variable	Question Text
ASP.0010.00.2	ASP	ASPMEDDEV_A	Has a doctor or other health professional EVER told you to take a low-dose aspirin each day to prevent or control heart disease?  If the respondent volunteers they have been told to take an aspirin every other day or "regularly" for these reasons, enter 1 for "yes."
ASP.0020.00.2	ASP	ASPMEDNOWN_A	Are you NOW following this advice?  If the respondent provides an answer such as "sometimes," "occasionally," or "from time to time," enter '1' for "yes."
ASP.0030.00.2	ASP	ASPMEDSTP_A	Did a doctor or other health professional advise you to stop taking a low-dose aspirin every day?
ASP.0040.00.2	ASP	ASPONOWN_A	On your own, are you now taking a low-dose aspirin each day to prevent or control heart disease?

Questions added in 2021 Q2

Adult:IMS (Immunization)

Question ID	Section Name	Variable	Question Text
IMS.0061.00.3	IMS	SHTCVD19_A	The next questions are about coronavirus or COVID-19 vaccination.  Have you had a COVID-19 vaccination?  <b>Read if necessary:</b> <i>The COVID-19 vaccination has been available since 2020.</i>
IMS.0062.00.3	IMS	SHTCVD19NM_A	How many COVID-19 vaccinations have you received?
IMS.0063.01.3	IMS	CVDVAC1M_A	<b>1 of 2</b>  During what month and year did you receive your most recent COVID-19 vaccination?  <b>Enter month of most recent COVID-19 vaccination.</b>
IMS.0063.02.3	IMS	CVDVAC1Y_A	<b>2 of 2</b>  <b>Enter year of most recent COVID-19 vaccination.</b>
IMS.0064.01.3	IMS	CVDVAC2M_A	<b>1 of 2</b>  During what month and year did you receive your next most recent COVID-19 vaccination?  <b>Enter month of the next most recent COVID-19 vaccination.</b>
IMS.0064.02.3	IMS	CVDVAC2Y_A	<b>2 of 2</b>  <b>Enter year of next most recent COVID-19 vaccination.</b>
IMS.0065.00.3	IMS	SHTCVD19AV_A	Did a doctor or other health professional tell you that you need an additional dose of the COVID-19 vaccination?

## 2021 National Health Interview Survey (NHIS) Questionnaire

Navigate to the module of interest in the Bookmarks pane to see information about all the sections in the module in questionnaire order. The display pane will show a table with the following information for each section:

- Section abbreviation: a short, 3 letter abbreviation for the section, e.g., INS
- Section description: a description of the topic area for questions in the section
- Content type: a list of values indicating if the questions in the section come from annual core, rotating core, sponsored content or emerging content
- Page Range: range of pages in this document containing the content for each section

## 2021 National Health Interview Survey (NHIS) Questionnaire

Navigate the hierarchy in the Bookmarks pane to the module and section of interest. Selecting the module or section name will display the detail for the first variable for that module or section, respectively. Expanding the hierarchy further and selecting a question will display the detail for that specific question. The detailed report will show the following information for a question: Question ID, Variable, Content Type, Question Text, Fills, Response, Universe, Skip Instructions, and optionally, Hard Edit, Soft Edit and Replication.

2021 National Health Interview Survey (NHIS) Questionnaire

ROS: Roster

Question ID: ROS.0020.00.1 Variable: HHClock Interview Module: Roster Content Type: Annual Core

Question Text:

The demographic information is now locked and cannot be changed.

Enter '1' to continue with the interview.

If reentering the case, press the END key to go to the next unanswered question.

Response:

1	Enter 1 to Continue
---	---------------------

Universe:

HHC section has been locked.

Skip Instructions:

<1> If GEN.PCNTUNDER18 GT 0, [goto REL.WHOPAR]  
else [goto SASCSELECT]

2021 National Health Interview Survey (NHIS) Questionnaire

ROS: Roster

Question ID: ROS.0030.00.1 Variable: ROSTERCHECK Interview Module: Roster Content Type: Annual Core

Question Text:

The roster will now be locked. If you are confident that it has been recorded accurately, enter 1 to continue. Otherwise go back and correct now.

Response:

1	Enter 1 to Continue
---	---------------------

Universe:

At least one person in the household is greater than 18 and there is at least one child in the household and at least one person's age is not guessed and not all household members in the armed forces and the HHC section has not been locked.

Skip Instructions:

```
<1> If GEN.PCNTUNDER18 GT 0, [goto tblREL.WHOPAR]
if SURVTYPE=T and eligible adults [goto SELECT_SA]
elseif SURVTYPE=T and eligible children [goto SELECT_SC]

Question ID: UTZ.0030.00.1 Variable: WELLNESS\_A Interview Module: Adult Content Type: Annual Core

Question Text:

¿Fue este un examen de rutina, examen físico, o chequeo general?

**Read if necessary:** Este tipo de visita usualmente incluye medir la presión arterial, los niveles de colesterol y azúcar en la sangre, la estatura, el peso y administrar vacunas. Un médico u otro profesional de la salud podría también hablar con usted sobre temas relacionados con su salud tales como el consumo de tabaco o alcohol, la alimentación y el ejercicio físico. Estas visitas se hacen usualmente de antemano y se realizan cuando no está enfermo(a) o lesionado(a).

**Read if necessary:** Si combinó un examen de rutina con una visita para tratar una enfermedad, incluya también esa visita.

**Read if necessary:** Un obstetra o ginecólogo(a) (OB-GYN, por sus siglas en inglés) puede llevar a cabo esta consulta.

Response:

1	Sí

Question Text:

La colonografía TC (CT, por sus siglas en inglés), a veces llamada colonoscopia virtual, es una prueba para detectar el cáncer de colon. No necesita medicamento para adormecerlo como en la colonoscopia tradicional. En esta prueba, el colon se llena con aire y al paciente se le coloca boca abajo y luego boca arriba en una máquina de rayos X de forma circular. ¿Alguna vez le hicieron una colonografía TC (CT, por sus siglas en inglés) o colonoscopia virtual?

Response:

1	Sí
2	No
7	Refused

Question Text:

El siguiente grupo de preguntas es acerca de las lesiones.

La primera pregunta es sobre lesiones por esfuerzo repetitivo. Nos referimos a las lesiones causadas por repetir el mismo movimiento por largos períodos de tiempo. Por ejemplo, esto incluye el síndrome del túnel carpiano, codo de tenista o tendinitis.

Durante los últimos 3 meses, ¿ha sufrido alguna lesión por esfuerzo repetitivo?

Response:

1	Sí
2	No
7	Refused
9	Don't Know

Question Text:

[F1]

Nos gustaría que nos proporcionara los últimos cuatro dígitos del número de seguro social de ^SCNAME. Esta información nos ayudará a unir los datos de la encuesta de ^SCNAME con los registros de otras agencias del gobierno relacionados con la salud, y nos permitirá realizar más estudios sin tomar más de su tiempo para hacerle más preguntas. El Centro Nacional de Estadísticas de Salud (NCHS, por sus siglas en inglés) usa esta información sólo con fines estadísticos. Proporcionar esta información es voluntario. No habrá ningún efecto sobre los beneficios de ^SCNAME si no desea dar esta información. Las leyes federales nos autorizan a solicitar esta información. Al igual que cualquier otra información que haya proporcionado, su respuesta a esta pregunta se mantendrá confidencial.

**Read if necessary:** Las Leyes federales específicas que protegen La privacidad y La confidencialidad de Los datos de ^SCNAME son La Ley de Servicios de Salud Pública (Título 42 U.S.C., 242m (d)), La Ley de Protección de Información Confidencial y Eficiencia Estadística (Título 5 de La Ley Pública 107-347) y La Ley de Privacidad de 1974, (5 U.S.C. 552a).

**Read if necessary:** NCHS recopila información sobre La salud obtenida por otras agencias del gobierno incluyendo registros de Los Servicios de Medicare y Medicaid, Seguro Social, registros de viviendas y certificados de defunción. Si nos permite, NCHS intentará unir datos como estos con La información de La encuesta de ^SCNAME para darnos un panorama de temas más completa que afectan La salud. NCHS une esta información. El nombre de ^SCNAME y su información nunca será divulgada a otras agencias.

**Read if necessary: If asked:** La información de ^SCNAME no será unida con registros obtenidos po
