

## Healthy People 2010 Operational Definition

---

**23-12. Increase the proportion of Tribal, State (including the District of Columbia), and local health agencies that have implemented a health improvement plan and increase the proportion of local health jurisdictions that have a health improvement plan linked with their State plan.**

**23-12a. (Developmental) Tribal agencies.**

**Comments**

This subobjective was retained during the Healthy People 2010 Midcourse review despite the current lack of data. An operational definition could not be specified at the time of publication.

At this time, data for Tribal agencies are not collected. However, if data should become available by 2010, the information will be included. A potential source for these data is the Indian Health Service.
