

## Healthy People 2010 Operational Definition

---

**26-23. (Developmental) Increase the number of communities using partnerships or coalition models to conduct comprehensive substance abuse prevention efforts.**

**Comments**

This subobjective was retained at the Healthy People 2010 Midcourse Review despite the current lack of data. An operational definition could not be specified at the time of publication.

A proposed data source for this objective is the Community Partnership Data, SAMHSA.

See Appendix A for focus area contact information.
