Points of Contact
AI/AN Program Manager:
Elizabeth Dalsey

Priority Areas and Activities

- Agriculture, Forestry, and Fishing Program
- Construction Program
- Center for Maritime Safety and Health Studies
- Center for Motor Vehicle Safety
- Health Hazard Evaluation Program
- National Firefighter Registry (for Cancer)
- NIOSH Total Worker Health Program
- NIOSH Western States Division

Center level technical assistance services and programs

- **NIOSH Western States Division (WSD)**
  The WSD aims to improve safety and health for workers through research and prevention, as well as by providing technical assistance in the West in collaboration with other NIOSH assets and partners. Tribes seeking information or technical assistance from NIOSH can reach out to WSD for assistance. For more information: www.cdc.gov/niosh/contact/im-wsd.html;

- **Health Hazard Evaluation (HHE) Program**
  The HHE program helps employees, unions, and employers learn whether hazards are present at their workplace and recommends ways to reduce hazards and prevent work-related illness. Evaluations are done at no cost to the employees, unions, or employers. For more information: https://www.cdc.gov/niosh/hhe/default.html

Budget Updates

To ensure that we have the most current and comprehensive budget-related updates about each CIO, please complete this section. Please remember to provide appropriate links. It's important to note that the TAC members will have electronic access to this information, and the OTASA team will be able to keep it up to date. Therefore, including links is highly encouraged.
