

Arizona ELR Profile as of Jul15

The information contained in this profile is a summary of the information you provided the ELR Implementation Support and Monitoring team and the national ELR information collected from all other jurisdictions. The report is divided into three sections:

- o Arizona's information compared to national averages
- o Arizona's labs by ELR format and disease category
- o List of Arizona's laboratories, with each lab's ELR status

If you have questions or additional changes to this information after you review the profile, please do not hesitate to contact elrstatus@cdc.gov.
