

Houston ELR Profile as of Jul15

The information contained in this profile is a summary of the information you provided the ELR Implementation Support and Monitoring team and the national ELR information collected from all other jurisdictions. The report is divided into three sections:

- o Houston's information compared to national averages
- o Houston's labs by ELR format and disease category
- o List of Houston's laboratories, with each lab's ELR status

If you have questions or additional changes to this information after you review the profile, please do not hesitate to contact elrstatus@cdc.gov.

	Jurisdiction	National Averages
Total Labs	214	191
Labs in Production	56	64
