
User's Guide

Introduction	i
TIMS Features	ii
System Requirements	iii
TIMS Modules	iv
Using TIMS Documentation	vi
Service and Support.....	viii
Confidentiality, Data Security, Data Integrity, and Dissemination of Data	ix
Protecting the Confidentiality of Data Collection Forms, Reports, and other Patient Information in the TB Surveillance Program	x
Protecting the Confidentiality of Records and Reports in TIMS.....	x
Protecting the Security of Records and Reports in TIMS.....	xii
Protecting the Integrity of Databases in TIMS	xiii
Assurance of Confidentiality for Reports of Verified Cases of Tuberculosis (RVCT), Centers for Disease Control and Prevention (CDC) Control Number M3-91-027	xiv
Chapter 1 The TIMS Workplace	1-1
Starting TIMS.....	1-2
TIMS Login.....	1-3
User Id	1-3
User Levels.....	1-3
Login.....	1-4
Logout.....	1-4
Gathering TIMS Data.....	1-5
Common Workplace Elements.....	1-6
Using the Menu Bar.....	1-7
Using the Shortcut Menu	1-8
Using Toolbars.....	1-9
Common Menus.....	1-9
Window Menu	1-9
Selecting a Client or Worker (Change Focus).....	1-11
Change Focus (Client)	1-11
Change Focus (Worker).....	1-13
Setting Up Filters.....	1-14
Using CueCards.....	1-17
Adding / Removing CueCards.....	1-18
Changing Modules	1-19
TIMS Module Selector.....	1-20
Toolbar.....	1-20
Module Overview	1-21
Client Module.....	1-22
Client Toolbar.....	1-22
Client Module Menus	1-22
Surveillance Module.....	1-25
Surveillance Toolbar.....	1-25
Surveillance Menus	1-25
Patient Management Module.....	1-28
Patient Management Toolbar.....	1-28
Patient Management Menus.....	1-28
Program Evaluation Module.....	1-31

Program Evaluation Toolbar.....	1-31
Program Evaluation Menus	1-31
Daily Program Operations Module	1-32
Daily Program Operations Toolbar.....	1-32
Daily Program Operations Menus	1-32
System Module.....	1-34
System Toolbar	1-34
System Module Menus	1-34
Working With Reports	1-37
Navigate through a Report.....	1-37
Print a Report.....	1-38
Adjust Report Magnification	1-38
Adjust Report Margins	1-38
Close a Report.....	1-39
User-Defined Variables	1-40
Using User-Defined Variables.....	1-41
Flag Information Window	1-42
Open the Flag Window	1-42
Client Information Window	1-43
Close the Client Information Window.....	1-43
Using the TIMS Help System.....	1-44
The Help Menu	1-44
Context-Sensitive Help	1-45
Help from the Toolbar	1-45
TIMS Help Contents.....	1-46
TIMS Help Toolbar	1-47
Help on Help.....	1-47
Closing TIMS	1-48
Menu.....	1-48
Keyboard	1-48
Control Menu / Close Button.....	1-48
Chapter 2 Client Module.....	2-1
Overview	2-1
Quick Start.....	2-2
Open the Client Module.....	2-2
Add a New Client	2-2
Edit an Existing Client.....	2-2
Working with Client Information.....	2-3
Open the Client Module.....	2-3
Add a New Client	2-4
Open the Client Information Window	2-6
Add Identification and Demographic Information	2-6
Edit a Client Name.....	2-8
Client Addresses.....	2-9
Current	2-9
Add a Client Address.....	2-9
Edit a Client Address.....	2-10
Delete a Client Address	2-11
Client Phone Numbers.....	2-12
Add a Client Phone Number.....	2-12
Edit a Client Phone Number	2-13

Delete a Client Phone Number	2-13
Client Aliases	2-14
Add a Client Alias	2-14
Modifying a Client Alias	2-15
Deleting a Client Alias.....	2-15
User - Defined Alerts	2-17
Add a User-Defined Alert.....	2-17
Edit a User-Defined Alert.....	2-17
Deleting a User-Defined Alert.....	2-18
Disposition.....	2-18
Close a Client.....	2-19
Edit a Disposition	2-20
Re-Open a Client	2-21
Origination.....	2-22
View a Client's Origins	2-22
Changing Client Origins: Contact to Neither	2-22
Changing Client Origins: Neither to Contact	2-23
Client Appointments.....	2-24
Open the Client Appointments Window.....	2-24
Search for Appointments	2-25
Filter Appointments by Status	2-25
Filter Appointments by Type.....	2-26
Add a Single Appointment	2-26
Add a Recurring Appointment.....	2-27
Edit a Client Appointment	2-30
Reschedule a Client Appointment	2-30
Cancel a Client Appointment.....	2-31
Delete a Client Appointment	2-32
Client Check In	2-33
Confirm / Complete a Client Appointment.....	2-34
Chapter 3 Patient Management Module.....	3-1
Overview	3-1
Quick Start.....	3-2
Open the Patient Management Module	3-2
Client Diagnosis.....	3-2
Skin Test.....	3-2
Chest X-Ray.....	3-2
Bacteriology.....	3-3
Medications.....	3-3
Overview: Client Profile	3-3
Contact Information	3-4
Add Exposure Site Information	3-4
Edit an Exposure Site.....	3-5
Delete an Exposure Site.....	3-5
Add a New Contact.....	3-6
Edit Contact Information	3-7
Delete Contact Information	3-8
Documenting Contact Interviews	3-8
Converting a Contact to a Client.....	3-9
Merging Contact Information with an Existing Client	3-11
Client Diagnosis	3-13

Add a Client Diagnosis	3-13
Edit a Client Diagnosis	3-15
Delete a Client Diagnosis	3-16
Client History	3-17
Record Client History	3-17
Edit Client History	3-18
Hospital or Facility Chronological Summary	3-19
Add a Hospital/Facility Chronology Summary	3-19
Edit a Hospital/Facility Chronology Summary	3-20
Delete a Hospital/Facility Chronology Summary	3-20
Client Referrals	3-21
Add a Referral Record	3-21
Edit a Referral Record	3-21
Delete a Referral Record	3-22
Overview: Client Therapy	3-23
Medications	3-23
Add New Drugs	3-24
Edit a Drug	3-25
Delete a Drug	3-26
Edit Pick-Ups (Schedule)	3-26
Stop a Drug	3-27
Sort the Medications Window	3-29
View a Drug Modification Summary	3-29
Confirm Drug Pick-Ups	3-30
View Pick-Up Summary	3-33
Overview: Client Tests	3-34
Bacteriological and Susceptibility	3-34
Add a Bacteriology Test Record	3-34
Edit a Bacteriology Test Record	3-35
Delete a Bacteriology Test Record	3-35
Open the Susceptibility Test Window	3-37
Add a Drug-Specific Susceptibility Test Record to the Test Series	3-38
Edit a Drug-Specific Susceptibility Test Record	3-39
Delete a Drug-Specific Susceptibility Test Record	3-39
Create a New Specimen Susceptibility Test Series	3-40
Browse the Susceptibility Test Series	3-41
Blood Test	3-42
Add a Blood Test Record	3-42
Edit a Blood Test Record	3-42
Delete a Blood Test Record	3-43
Chest X-Ray	3-44
Add a Chest X-Ray Record	3-44
Edit a Chest X-Ray Record	3-44
Delete a Chest X-Ray Record	3-45
HIV Test	3-46
Add an HIV Test Record	3-46
Edit an HIV Test Record	3-46
Delete an HIV Test Record	3-47
Physical Examination	3-48
Add a New Physical Examination Record	3-48
Edit a Physical Examination Record	3-48

Delete a Physical Examination Record.....	3-49
Limiting the Number of Tests Displayed	3-49
Skin Tests	3-50
The Skin Test Window	3-50
Add a New Skin Test Record	3-50
Edit a Skin Test Record	3-51
Delete a Skin Test Record	3-51
Test Summary.....	3-53
Open the Test Summary Window.....	3-53
Filtering the Current Test Status Window	3-54
Patient Management Reports.....	3-55
Chapter 4 Surveillance Module	4-1
Overview	4-1
Quick Start.....	4-3
Open the Surveillance Module	4-3
Add a New Client	4-3
Add or Edit RVCT Data for Existing Clients	4-4
Data Entry Helpful Hints.....	4-5
Moving among Screens	4-5
Moving among Fields	4-5
Enabled and Disabled	4-5
Entering Dates	4-7
Choosing from a List	4-8
Entering Client Information.....	4-9
Validations.....	4-9
Data Generation	4-9
Report of Verified Case of Tuberculosis.....	4-10
Add a Report of Verified Case of Tuberculosis (RVCT)	4-11
Edit a Report of Verified Case of Tuberculosis (RVCT)	4-14
Initial Drug Susceptibility Report	4-15
Add an Initial Drug Susceptibility Report	4-15
Edit an Initial Drug Susceptibility Report	4-16
Case Completion Report	4-17
Add a Case Completion Report	4-17
Edit a Case Completion Report	4-19
Case Verification.....	4-20
Count a Case.....	4-21
Overwrite a Case Verification of Suspect.....	4-23
Confirm 'Not a Verified Case' Case Verification with Question 37	4-25
SURVS-TB User Defined Variables	4-26
Add SURVS-TB User Defined Data	4-26
Edit SURVS-TB User Defined Data	4-27
Browse Surveillance Reports	4-28
Review Browse Reports	4-28
Surveillance Record Deletion.....	4-29
Status Codes.....	4-30
Surveillance Record Deletion (RVCT Data)	4-31
Undelete an RVCT (Surveillance Data)	4-34
Purge an RVCT (Surveillance Data)	4-35
Data Generation.....	4-37
Generate a Single Question.....	4-38

Generate Multiple Questions	4-39
Generate All Questions	4-40
Clear a Single Question	4-41
Clear Multiple Questions	4-41
Clear All Generated Questions	4-42
Data Transfer	4-43
Surveillance Transfer Definitions	4-44
Surveillance Reporting Hierarchy	4-45
Transfer Surveillance Information	4-47
Reset Surveillance Transfer Flags	4-51
Transferring NETSS Files	4-54
Create a Weekly NETSS File	4-55
Create a Year-to-Date NETSS File	4-57
Transfer Archived NETSS Files	4-59
Reports	4-60
Data Entry for Surveillance Fields	4-61
First RVCT Screen	4-61
Second RVCT Screen	4-66
Third RVCT Screen	4-70
Fourth RVCT Screen	4-72
Initial Drug Susceptibility Report Screen	4-74
First Case Completion Report Screen	4-76
Second Case Completion Report Screen	4-78
Case Verification Screen	4-80
Data Generation Table	4-83
Chapter 5 Program Evaluation Module	5-1
Overview	5-1
Open the Program Evaluation Module	5-2
Open an ARPE Reports Selector Window	5-2
Reports Selector Window	5-4
Combination Pane	5-4
Detail Pane	5-5
Command Buttons	5-6
Creating Reports	5-7
The New Window	5-7
New Window Buttons	5-8
Editing Reports	5-9
The Edit Window	5-9
Edit Window Buttons	5-10
Browsing Reports	5-11
Open the Browse Window	5-11
Viewing Included Sub - Reports while Browsing a Combination Report	5-12
Browse Window Buttons	5-13
Using the Zoom Feature	5-14
Adjust Report Margins	5-14
Combination Reports	5-15
Combining Reports from Lower-Level Sites	5-15
Create a Combination Report	5-16
Add a Report to an Existing Combination Report	5-18
Remove a Sub-Report From a Combination Report	5-19
Deleting Reports	5-21

Delete a Single Report	5-21
Delete a Sub-Report of a Combination Report	5-21
Delete a Combination Report	5-22
Transferring Reports.....	5-23
Marking Reports for Transfer	5-23
Preparing the Transfer File	5-24
Transfer File to the Next Higher Level Site	5-25
Chapter 6 Daily Program Operations Module.....	6-1
Overview	6-1
Quick Start.....	6-2
Open the Daily Program Operations module.....	6-2
Add a Worker	6-2
Add a Worker Assignment	6-2
Add a Worker Appointment	6-2
Worker Information.....	6-3
Add a Worker	6-3
Open a Worker (Change Focus)	6-5
Search for a Worker.....	6-5
Edit Worker Information	6-6
Delete a Worker	6-7
Worker Assignments	6-8
Assign a Worker to a Client.....	6-8
Edit a Worker Assignment.....	6-10
Delete a Worker Assignment.....	6-11
Reassign a Client	6-11
Stop a Worker Assignment.....	6-12
Worker Appointments	6-13
Open the Worker Appointments Window	6-13
Search for Appointments	6-14
Filter Appointments by Status	6-14
Filter Appointments by Type.....	6-15
Add a Single Appointment	6-15
Add a Recurring Appointment.....	6-16
Edit a Worker Appointment.....	6-18
Reschedule a Worker Appointment.....	6-19
Cancel a Worker Appointment	6-20
Delete a Worker Appointment.....	6-21
Confirm a Worker Appointment.....	6-22
Reports.....	6-23
Chapter 7 System Module.....	7-1
Overview	7-1
Quick Start.....	7-2
Open the System Module.....	7-2
Change Password.....	7-2
Add a New User.....	7-2
Edit System Preferences	7-3
Transmission Via Modem Overview.....	7-4
Data Flow Restrictions	7-4
Person-To-Person Cooperation.....	7-6
Transmission via Modem: Dialing and Answering.....	7-7
Calling Another TIMS Site.....	7-7

Adding an Alternate Phone Number for a TIMS Site.....	7-8
Permanently Replacing a Modem Phone Number for a TIMS Site.....	7-9
Deleting an Alternate Phone Number.....	7-10
Ending a TIMS Communication Session.....	7-11
End a Normal Communication Session.....	7-11
Terminate a Communication Session.....	7-11
Accepting Calls from Other TIMS Sites.....	7-11
Placing TIMS in Continuous Answer Mode.....	7-12
The TIMS Inbox.....	7-14
Incoming Mail List.....	7-14
Filtering Options.....	7-15
Buttons.....	7-15
Open the Inbox.....	7-17
Assimilating Data from the Inbox.....	7-17
General Assimilation Steps.....	7-17
Assimilate Surveillance, ARPE, and Site Information Data.....	7-18
Assimilate Miscellaneous File Transfers and Registration Files.....	7-19
Deleting Files from the Inbox.....	7-20
Receiving Mailed Files in the Inbox.....	7-21
The TIMS Outbox.....	7-23
Outgoing Mail List.....	7-23
Filtering Options.....	7-24
Buttons.....	7-24
Recreate a Surveillance Transfer File.....	7-26
Finish Creating Surveillance Data Transfer Files.....	7-26
Transmitting via Modem from the Outbox.....	7-27
Transmitting via Email from the Outbox.....	7-29
Deleting Files from the OutBox.....	7-31
Re-Send a Previously Transmitted File.....	7-32
File Transmission Reports (Inbox and Outbox).....	7-34
View a Transfer Report.....	7-35
Transferring Miscellaneous Files.....	7-37
Configure TIMS Modem Settings.....	7-39
Ad-Hoc Queries.....	7-40
Create an Ad-Hoc Query.....	7-40
Adding Query Criteria.....	7-42
Deleting an Ad-Hoc Query.....	7-46
Editing an Ad-Hoc Query.....	7-47
Adding/Deleting Tables.....	7-47
Executing an Ad-Hoc Query.....	7-48
Saved TIMS 1.10 Queries.....	7-50
Executing a Saved TIMS 1.0 Query.....	7-50
Deleting a Saved TIMS 1.0 Query.....	7-52
Frequency Reports.....	7-53
Create a Frequency Report.....	7-53
Delete a Frequency Report.....	7-57
Edit a Frequency Report.....	7-57
Execute a Frequency Report.....	7-58
Data Dictionary.....	7-61
Viewing the Data Dictionary.....	7-61
Export.....	7-64

Exporting Data from TIMS Tables or User-Defined Variables (UDV)	7-64
Execute a Saved Export Configuration.....	7-67
Edit a Saved Export Configuration.....	7-68
Delete a Saved Export Configuration	7-69
Flat File Export.....	7-70
Performing an Automated Flat File Export	7-70
Specify Criteria for a Flat File Export	7-72
Performing a Flat File Export for All Surveillance Data	7-76
User-Defined Variables.....	7-79
Add a User-Defined Variable	7-80
Edit a User-Defined Variable	7-81
Delete a User-Defined Variable.....	7-81
Database Backup.....	7-82
Database Recovery	7-84
Purge Records by Site	7-86
Purge Client Records.....	7-89
Preferences	7-92
Set System Preferences.....	7-92
Security.....	7-95
Change Individual User Passwords	7-95
Changing the System Administrator Password	7-96
Add a TIMS User.....	7-96
Edit a User's Security or Reset a User's Password	7-97
Deleting a TIMS User.....	7-98
Spin-Off Diskettes.....	7-99
Site ID Naming Conventions.....	7-99
Create Spin-Off Diskettes	7-100
Register a TIMS Site using Spin-Off Diskettes.....	7-102
Table Maintenance	7-106
Adding Table Items	7-106
Editing Table Items.....	7-107
Deleting a Table Item	7-107
Reports.....	7-109
Uninstalling TIMS.....	7-109
