ADMINISTRATIVE SUPPORT

- Regional network project run under contract with UNC IPRC
- Provides flexibility in our operations (such as out of state meetings)
- Technical expertise in annual meeting planning and logistical support

NC, HOPKINS, EMORY, AND UNC ICRC'S TRAINING AT ANNUAL MEETINGS

2012 annual network meeting held in Atlanta in conjunction with Emory professional development trainings.

2013 hosted by UNC IPRC in Chapel Hill, included injury expert presentation on brain injury, teen driving safety, and overdose experts provided training during meeting.

2014 meeting in Little Rock featured a speaker from the Hopkins ICRC, provided training on considerations for state employees working on policy.
