Childhood

Child Abuse & Neglect

Adolescence

Intimate Partner Violence

Youth Violence

Bullying

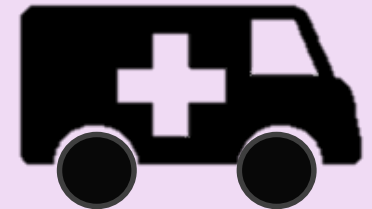

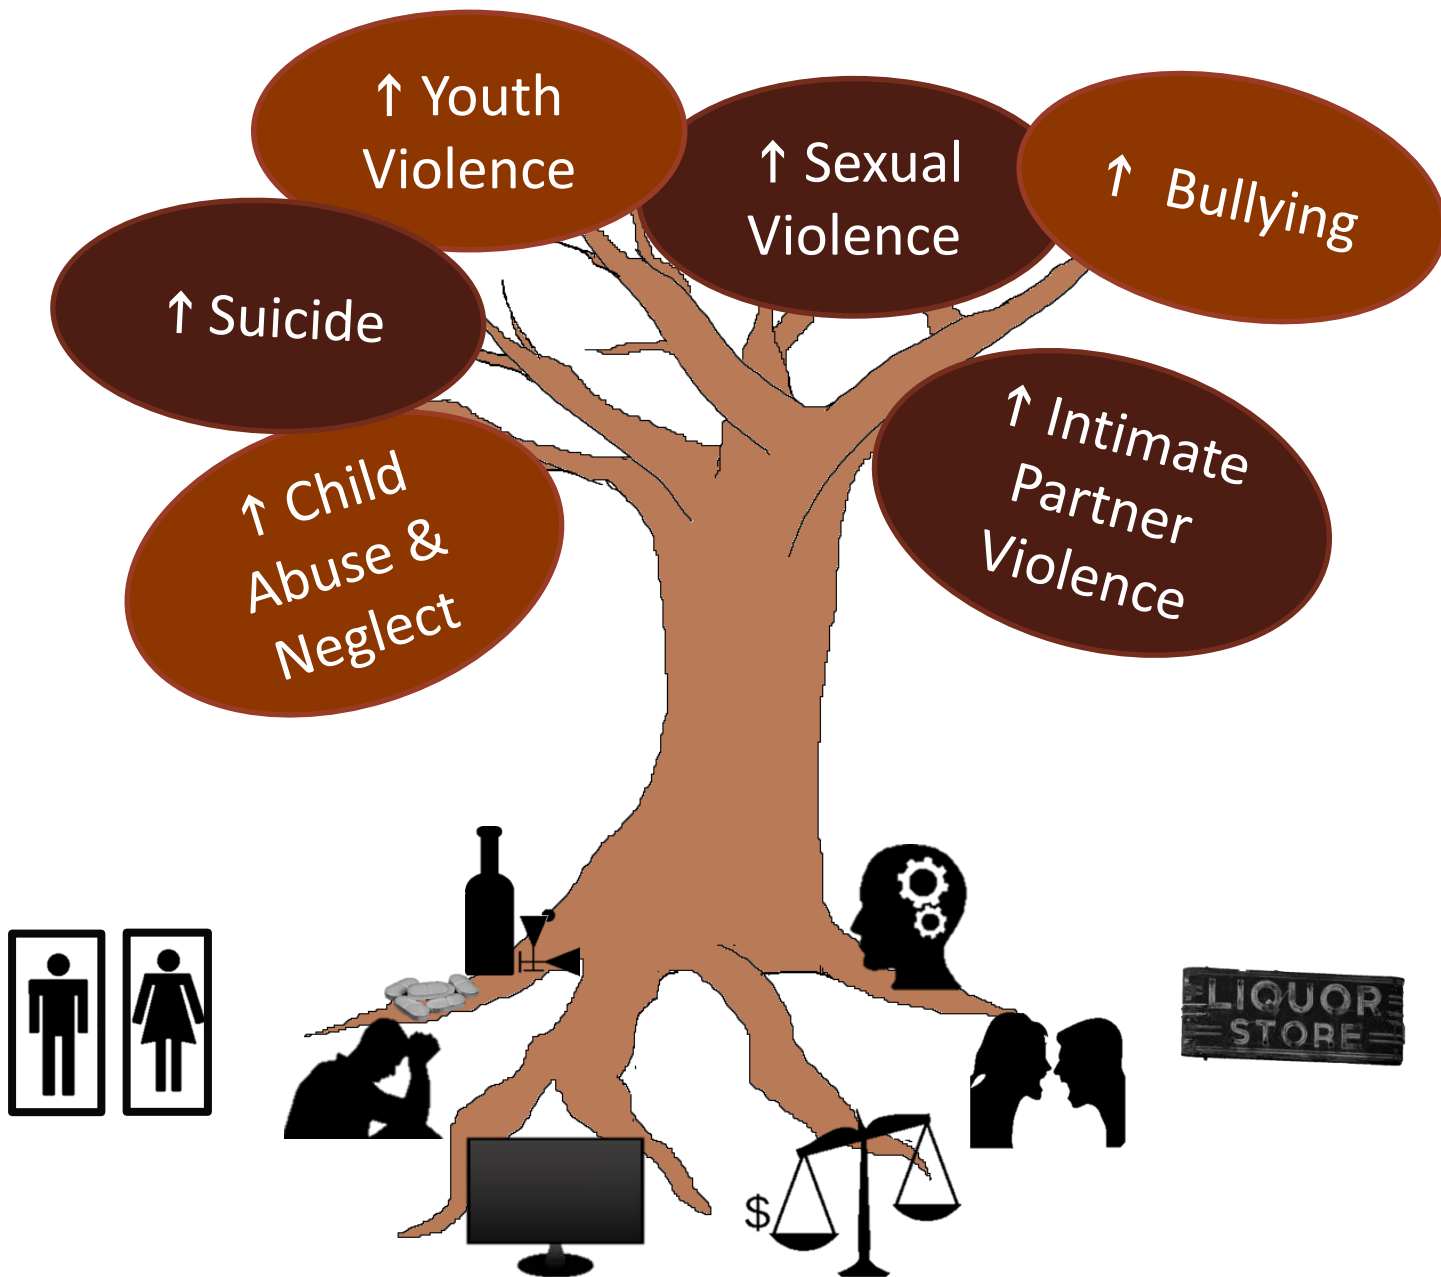

Suicide

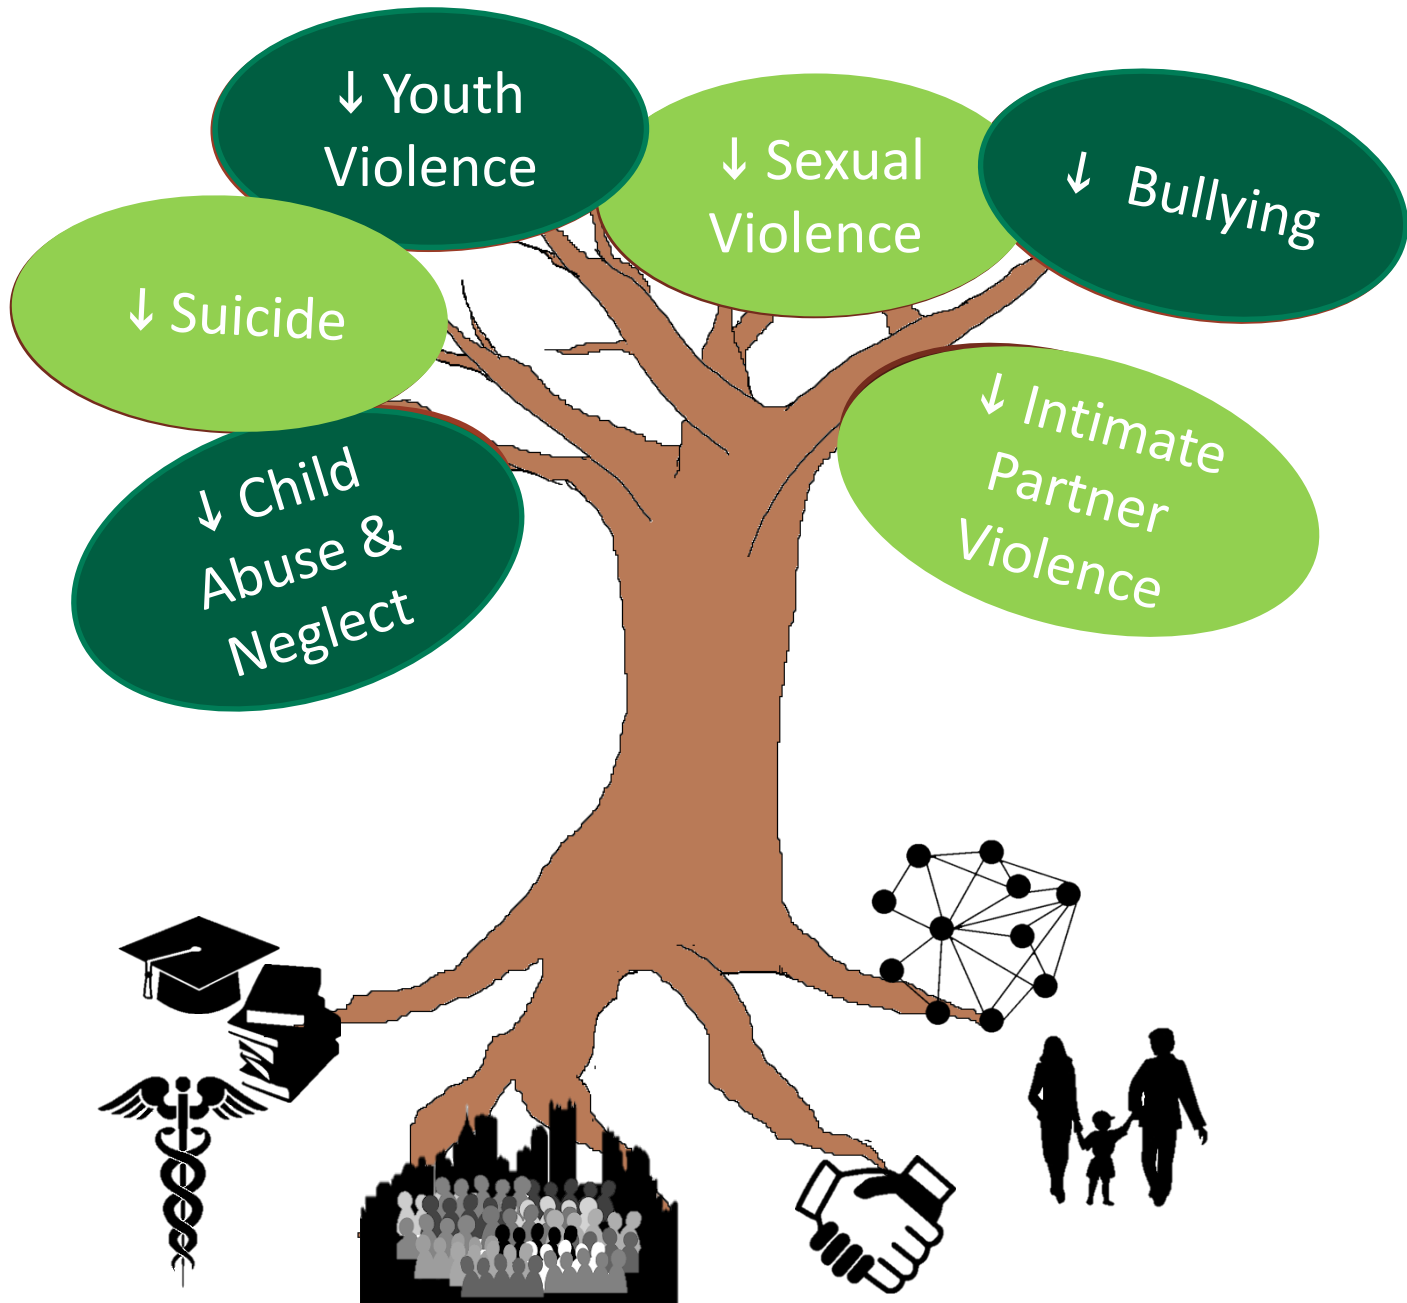

← Sexual Violence →

Adulthood

Elder Abuse

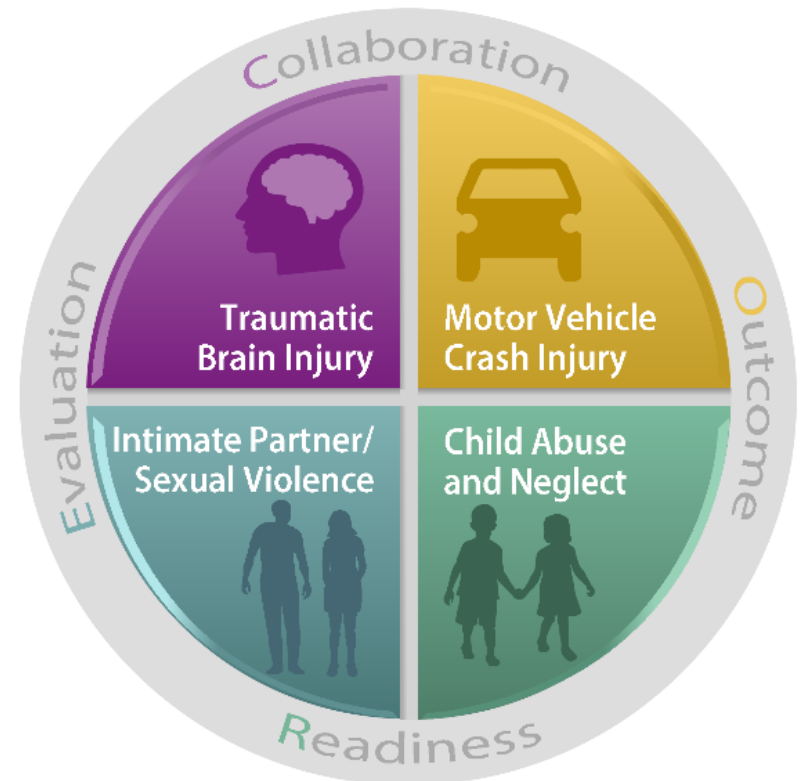

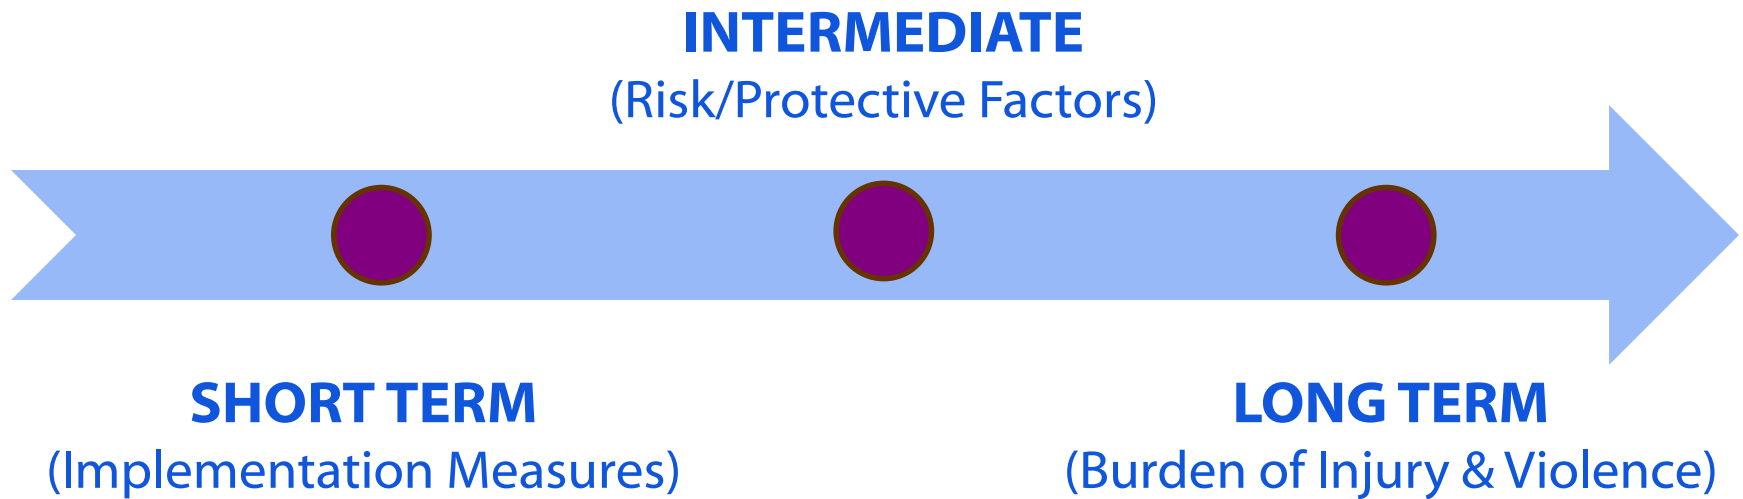

CoreSVIPP

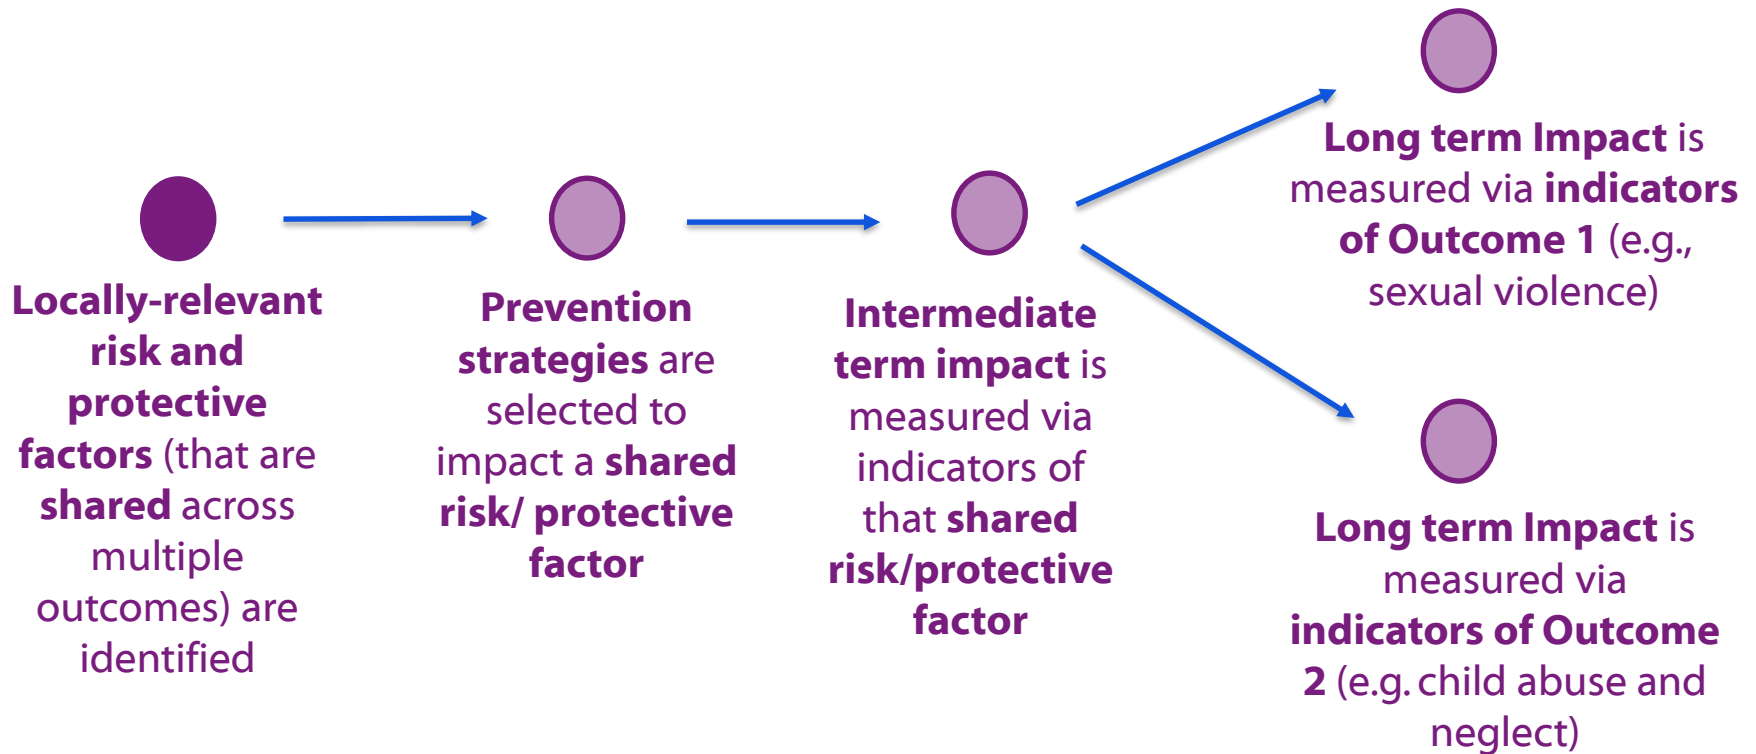

Purpose:** Decrease injury and violence related morbidity and mortality in four NCIPC priority focus areas **by decreasing shared risk factors and increasing shared protective factors.

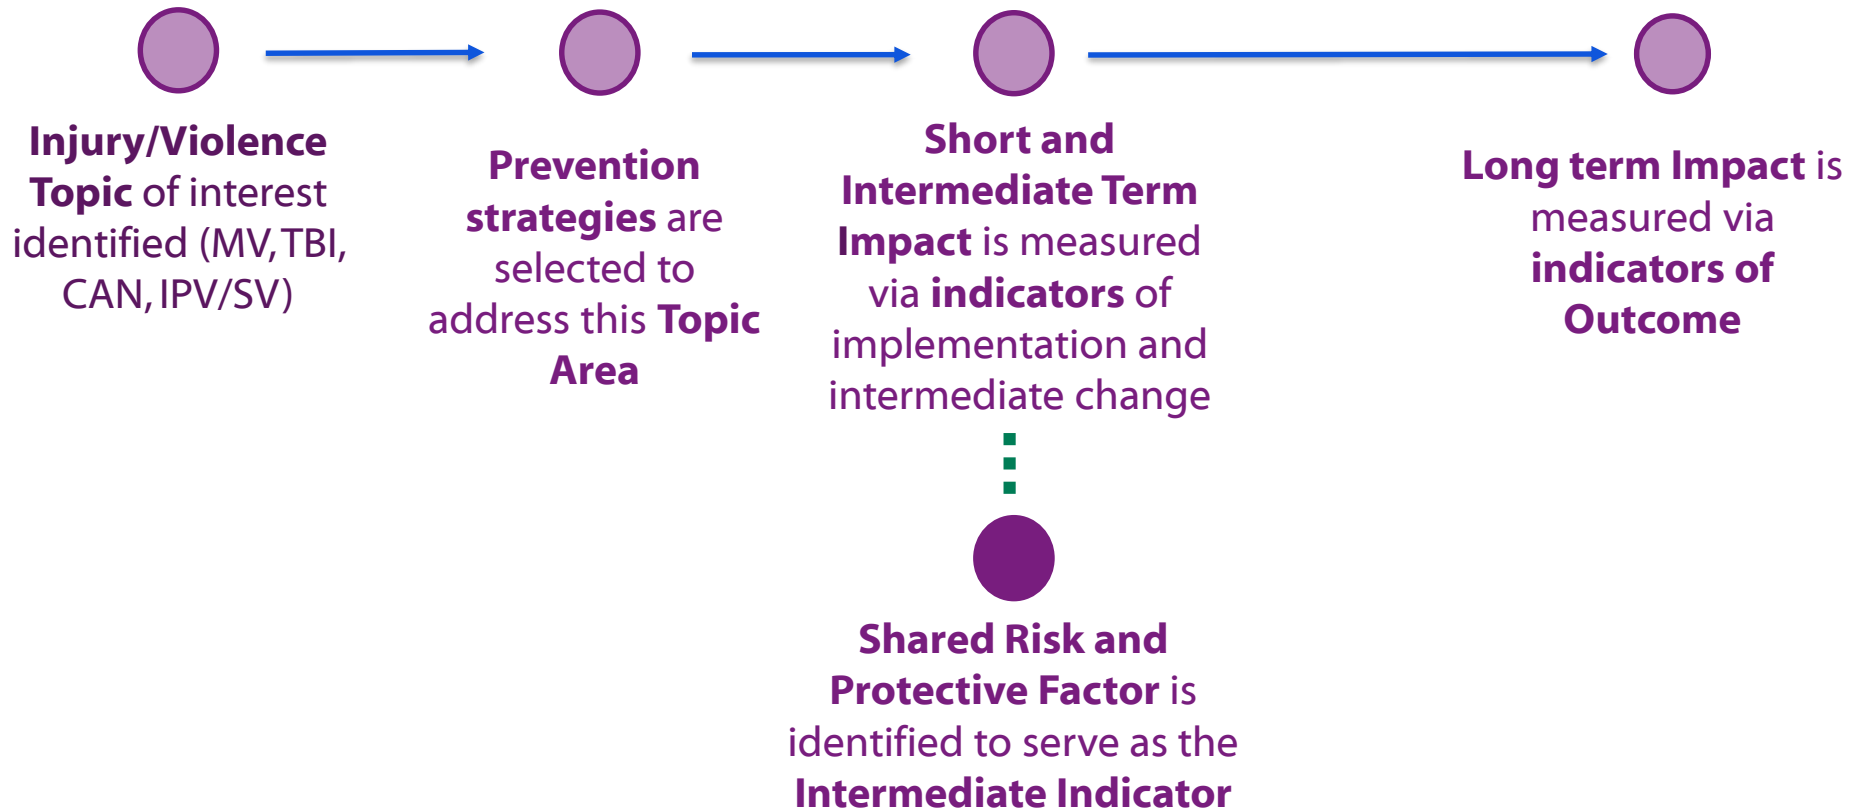

Strategy 4: Measuring Impact

Ideal Shared RF/PF Approach

Current CoreSVIPP Shared RF/PF Approach

What resources are currently available to identify and measure shared risk and protective factors?

Shared Risk and Protective Factors (RF/PF) Measurement Toolkit for Violence

Provides **measures** (e.g., survey items) and **data sources** (e.g., census data) to assess shared RF/PF linked to multiple forms of *violence*

Shared Risk and Protective Factors Across Multiple Forms of Violence*

[Email](#)
[Print](#)
[Email Feedback](#)

Instructions:

Double-clicking on a shared risk or protective factor (e.g. Community Support/Connectedness) will take you to the primary and secondary data measures associated with that factor.

Double-clicking on a purple button below provides information on how a risk or protective factor has been measured in the past for each form of violence.

Protective Factor

Level 2: Community	Bullying	Child Abuse and Neglect	Elder Abuse and Neglect	Intimate Partner Violence	Sexual Violence	Suicide	Teen Dating Violence	Youth Violence
Community Support/Connectedness								
Access to Mental Health and Substance Abuse Services								
Level 3: Relationship	Bullying	Child Abuse and Neglect	Elder Abuse and Neglect	Intimate Partner Violence	Sexual Violence	Suicide	Teen Dating Violence	Youth Violence
Association with Pro-Social Peers								
Connection to a Caring Adult								
Connection/Commitment to School								
Family Support/Connectedness								

NOTE: CoreSVIPP TA Resource- Not for broad distribution

Toolkit Demo

How have states been using the Toolkit?

Ingrid Bou-Saada
North Carolina Department of
Health and Human Services

Genevieve Polk
Maryland Department of
Health
