PAPERWORK REDUCTION ACT STATEMENT

Public reporting burden for this collection of information is estimated to average 60 minutes per response, including time required for searching existing data sources, gathering the necessary documentation, providing the information and/or documents required, and reviewing the final collection. You do not have to supply this information unless this collection displays a currently valid OMB control number. If you have comments on the accuracy of this burden estimate and/or recommendations for reducing it, please send them to: PRA_BurdenComments@state.gov

CONFIDENTIALITY STATEMENT

INA Section 222(f) provides that visa issuance and refusal records shall be considered confidential and shall be used only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States. The U.S. Department of State uses the information provided on this form primarily to determine an individual's eligibility for a U.S. visa. Certified copies of visa records may be made available to a court which certifies that the information contained in such records is needed in a case pending before the court. The information provided may also be released to federal agencies for law enforcement, counterterrorism and homeland security purposes; to Congress and courts within their sphere of jurisdiction; and to other federal agencies who may need the information to administer or enforce U.S. laws. Although furnishing this information is voluntary, individuals who fail to submit this form or who do not provide all the requested information may be denied a U.S. visa or cause processing delays.
