(Continued)

Definitions:

- Group HMO: An HMO that contracts with one independent group practice to provide health services.
- Staff HMO: An HMO that delivers health services through a physician group that is controlled by the HMO Unit.
- IPA: An HMO that contracts directly with physicians in independent practices; and/or contracts with one or more associations of physicians in independent practice; and/or contracts with one or more multispecialty group practices (but the plan is predominantly organized around solo/single practices).
- Network: An HMO that contracts with two or more independent group practices, possibly including a staff group, to provide health services. Although a network may contain a few solo practices, it is predominantly organized around groups.
- Mixed: Any HMO combining a group, staff, or network model and an IPA model. The HMO includes both group and solo practices.
