# ICD-10-CM EXTERNAL CAUSE of INJURIES INDEX

## 2013 Addenda

**KEY:**New or Revised text: UnderlinedDeleted text: ~~Strikeout~~

### A

**Accident (to) X58**

- transport (involving injury to) V99
- - occupant (of)
- - - watercraft NOS V94.9
- - - - causing drowning B - see Drowning, resulting from accident to boat
- - - - causing drowning - see Drowning, resulting from accident to boat
- - railway vehicle occupant V81.9
- - - during derailment V81.7
- - - - with antecedent collision B - see Accident, transport, railway vehicle occupant, collision
- - - - with antecedent collision - see Accident, transport, railway vehicle occupant, collision
- - - fall (in railway vehicle) V81.5
- - - - during derailment V81.7
- - - - - with antecedent collision B - see Accident, transport, railway vehicle occupant, collision
- - - - - with antecedent collision - see Accident, transport, railway vehicle occupant, collision
- - - - from railway vehicle V81.6
- - - - - during derailment V81.7
- - - - - - with antecedent collision B - see Accident, transport, railway vehicle occupant, collision
- - - - - - with antecedent collision - see Accident, transport, railway vehicle occupant, collision
- - streetcar occupant V82.9
- - - during derailment V82.7
- - - - with antecedent collision B - see Accident, transport, streetcar occupant, collision
- - - - with antecedent collision - see Accident, transport, streetcar occupant, collision
- - - fall (in streetcar) V82.5
- - - - during derailment V82.7
- - - - - with antecedent collision B - see Accident, transport, streetcar occupant, collision
- - - - - with antecedent collision - see Accident, transport, streetcar occupant, collision
- - - - from streetcar V82.6
- - - - - during derailment V82.7
- - - - - - with antecedent collision B - see Accident, transport, streetcar occupant, collision
- - - - - - with antecedent collision - see Accident, transport, streetcar occupant, collision
- watercraft V94.9
- - causing
- - - drowning B - see Drowning, due to, accident to, watercraft
- - - drowning - see Drowning, due to, accident to, watercraft

**Avalanche B - see Landslide****Avalanche - see Landslide**

### B

**Bending, injury in - see Overexertion category Y93**

### C

**Collision (accidental) NEC (see also Accident, transport) V89.9**

- transport vehicle NEC V89.9
- - and
- - - avalanche, fallen or not moving - see Accident, transport
- - - - falling or moving B - see Landslide
- - - - falling or moving - see Landslide
- - - landslide, fallen or not moving - see Accident, transport

- - - falling or moving B - see Landslide
- - - falling or moving - see Landslide
- Crushed (accidentally) X58**
- by
- - avalanche NEC B - see Landslide
- - avalanche NEC - see Landslide
- - cave-in W20.0
- - - caused by cataclysmic earth surface movement B - see Landslide
- - - caused by cataclysmic earth surface movement - see Landslide
- - landslide NEC B - see Landslide
- - landslide NEC - see Landslide

## D

### **Drowning (accidental) W74**

- due to
- - avalanche B - see Landslide
- - avalanche - see Landslide
- - cataclysmic
- - - earth surface movement NEC B - see Forces of nature, earth movement
- - - storm B - see Forces of nature, cataclysmic storm
- - - earth surface movement NEC - see Forces of nature, earth movement
- - - storm - see Forces of nature, cataclysmic storm
- - tidal wave NEC B - see Forces of nature, tidal wave
- - tidal wave NEC - see Forces of nature, tidal wave

## E

### **Earth (surface) movement NECB- see Forces of nature, earth movement**

### **Earth falling (on) W20.0**

- caused by cataclysmic earth surface movement or eruption B - see Landslide
- caused by cataclysmic earth surface movement or eruption - see Landslide

### **Effect(s) (adverse) of**

- hot place (weather)B- see Heat

### **Exhaustion**

- due to excessive exertion - see Overexertion category Y93

### **Exposure (to) X58**

- factor(s) NOS X58
- - environmental NEC X58
- - - natural NEC B - see Forces of nature
- - - natural NEC - see Forces of nature
- forces of nature NEC B - see Forces of nature
- weather NEC B - see Forces of nature
- forces of nature NEC - see Forces of nature
- weather NEC - see Forces of nature

## F

### **Fall, falling (accidental) W19**

- from, off, out of
- - vehicle (in motion) NEC (see also Accident, transport) V89.9
- - - stationary W17.89
- - - - while boarding or alighting B - see Accident, transport, by type of vehicle, while boarding or alighting
- - - - while boarding or alighting - see Accident, transport, by type of vehicle, while boarding or alighting
- - snowslide (avalanche)B- see Landslide

### **Forces of nature X39.8**

- flood (caused by) X38
- - tidal wave B - see Forces of nature, tidal wave
- - tidal wave - see Forces of nature, tidal wave

## L

### **Lack of**

- water except as result of transport accident X58
- - due to transport accident B – see Accident, transport, by type
- - due to transport accident - see Accident, transport, by type

**M****Misadventure(s) to patient(s) during surgical or medical care Y69**

- failure
- - in dosage Y63.9
- - - nonadministration of necessary drug or biological substance Y63.62
- - ~~to introduce or to remove tube or instrument B – see Failure, to~~
- - to introduce or to remove tube or instrument - see Failure, to
- nonadministration of necessary drug or biological substance Y63.62
- specified type NEC Y65.8
- - failure
- - - ~~to introduce or to remove tube or instrument B – see Failure, to~~
- - - to introduce or to remove tube or instrument - see Failure, to

**N****Nonadministration (of)**

- drug or biological substance (necessary) Y63.62

**O****Overexertion --see category Y93****Overexposure (accidental) (to)**

- weather NEC B -- see Forces of nature
- wind NEC B -- see Forces of nature
- weather NEC - see Forces of nature
- wind NEC - see Forces of nature

**Overtipping (accidental)**

- watercraft (causing drowning, submersion) - see also Drowning, due to, accident to, watercraft, overturning
- - causing injury except drowning or submersion B -- see Accident, watercraft, causing, injury NEC
- - causing injury except drowning or submersion - see Accident, watercraft, causing, injury NEC

**P****Place of occurrence Y92.9**

- residence (non-institutional) (private) Y92.009
- - specified place in residence NEC Y92.0098

**Pulling, excessive - see Overexertioncategory Y93****Pushed, pushing (accidental) (injury in) (overexertion) - seealso Overexertioncategory Y93****S****Sinking (accidental)**

- watercraft (causing drowning, submersion) - see also Drowning, due to, accident to, watercraft, sinking
- - causing injury except drowning or submersion B -- see Accident, watercraft, causing, injury NEC
- - causing injury except drowning or submersion - see Accident, watercraft, causing, injury NEC

**Stab, stabbing B - see Cut****Stab, stabbing - see Cut****Storm (cataclysmic)B- see Forces of nature, cataclysmic storm****Straining, excessive - see Overexertioncategory Y93****Strenuous movements - see Repetitive movementscategory Y93****Struck (accidentally) by**

- avalanche B -- see Landslide
- landslide B -- see Landslide
- avalanche - see Landslide
- landslide - see Landslide
- object W22.8
- - falling W20.8
- - - from, in, on
- - - - cataclysmic

- - - - earth surface movement NEC B - see Landslide
- - - - storm B - see Forces of nature, cataclysmic storm
- - - - earth surface movement NEC - see Landslide
- - - - storm - see Forces of nature, cataclysmic storm

## T

### Terrorism (involving) Y38.80

- drowning and submersion Y38.89-
- lasers Y38.89-
- piercing or stabbing instruments Y38.89-
- secondary effects Y38.9X-
- specified method NEC Y38.8X9-
- suicide bomber Y38.81-

**Tidal wave (any injury) NECB-** see Forces of nature, tidal wave

**Twisting, excessive -** see Overexertioncategory Y93

## U

**Underdosing of necessary drugs, medicaments or biological substances** Y63.61

## V

### Victim (of)

- avalanche B - see Landslide
- earth movements NEC B - see Forces of nature, earth movement
- flood B - see Flood
- landslide B - see Landslide
- avalanche - see Landslide
- earth movements NEC - see Forces of nature, earth movement
- flood - see Flood
- landslide - see Landslide
- storm (cataclysmic) NECB- see Forces of nature, cataclysmic storm
