

## Healthy People 2010 Operational Definition

---

**7-5. Increase the proportion of worksites that offer a comprehensive employee health promotion program to their employees.**

**7-5a. (Developmental) Worksites with fewer than 50 employees.**

**Comments**

This subobjective was retained during the Healthy People 2010 Midcourse Review despite the current lack of data. An operational definition could not be specified at the time of publication.

The proposed national data source is the National Worksite Health Promotion Survey (NWHPS), Partnership for Prevention.

See Appendix A for focus area contact information.
