

**Table 13. Oral health objective status**

Objective	Baseline year	Baseline	1990	1991	1992	1993	1994	1995	1996	1997	1998	Target 2000
People 35 years and over	1986	54%	5/55%	58%	---	61%	---	---	---	63%	---	70%
a. Edentulous people 35 years and over	1986	11%	5/13%	13%	---	16%	---	---	---	20%	---	50%
b. People 65 years and over	1986	42%	5/43%	47%	---	51%	---	---	---	55%	---	60%
c. Black 35 years and over	1991	43%	...	...	---	46%	---	---	---	53%	---	60%
d. Mexican American 35 years and over	1991	38%	...	...	---	45%	---	---	---	47%	---	60%
e. Puerto Rican 35 years and over	1991	51%	...	...	---	37%	---	---	---	54%	---	60%
13.15 Oral health care for infants with cleft lip and/or palate												
Number of States with systems for recording and referring infants with cleft lip and/or palates												
Systems to identify and refer	1989	11	---	---	---	23	---	---	---	---	---	40
Systems to identify infants	1989	25	---	---	---	34	---	---	---	---	---	40
Systems to refer for care	1989	20	---	---	---	31	---	---	---	---	---	40
Systems to identify, refer, and follow up for care	1993	a/16	...	...	...	...	---	---	---	---	---	40
13.16* Protective equipment in sporting and recreation events	...	---	---	---	---	---	---	---	---	---	---	100%
National Collegiate Athletic Association												
Football	1988	Required	---	---	---	---	---	---	---	---	---	...
Hockey	1988	Required	---	---	---	---	---	---	---	---	---	...
Lacrosse	1988	Required	---	---	---	---	---	---	---	---	---	...
High school football	1988	Required	---	---	---	---	---	---	---	---	---	...
Amateur boxing	1988	Required	---	---	---	---	---	---	---	---	---	...
Amateur ice hockey	1988	Required	---	---	---	---	---	---	---	---	---	...
Use of protective headgear and mouth guards among children who play sports												
Baseball/softball												
Headgear	...	---	---	35%	---	---	---	---	---	---	---	...
Mouth guard	...	---	---	7%	---	---	---	---	---	---	---	...
Football												
Headgear	...	---	---	72%	---	---	---	---	---	---	---	...
Mouth guard	...	---	---	72%	---	---	---	---	---	---	---	...
Soccer												
Headgear	...	---	---	4%	---	---	---	---	---	---	---	...
Mouth guard	...	---	---	7%	---	---	---	---	---	---	---	...
13.17* Smokeless tobacco use												
Male 12-17 years	1988	6.6%	---	5.3%	4.8%	3.9%	5.1%	4.9%	3.5%	3.7%	---	4%
Male 18-24 years	1987	8.9%	---	9.9%	8.2%	7.8%	6.9%	---	---	---	---	4%
a. American Indian/Alaska Native 18-24 years	1986-87	18-64%	---	3/--	3/--	3/--	3/--	---	---	3/--	---	10%

---/Data not available.

.../Category not applicable.

a/Baseline has been revised.

p/Preliminary data.

1/1988-94 data.

2/Data are for Mexican Americans.

3/Data are unreliable. Relative standard error is greater than 30%.

4/1986 data.

5/1989 data.

**Data Sources:**

Objective number	Data source
13.1, 13.1c	Baseline: National Survey of Dental Caries in U.S. School Children, 1986-1987, NIH, NIDR. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.1a	Baseline: North Carolina Oral Health School Survey, North Carolina Division of Dental Health, University of North Carolina School of Public Health. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.1b,d	Baseline: Survey of Oral Health, IHS. Update: Oral Health Status and Treatment Needs Survey of American Indians/Alaska Natives, IHS.
13.2, 13.2c, g	Baseline: National Survey of Dental Caries in U.S. School Children, 1986-1987, NIH, NIDR. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.2a, e	Baseline: North Carolina Oral Health School Survey, North Carolina Division of Dental Health, University of North Carolina School of Public Health. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.2b, f	Baseline: Survey of Oral Health, IHS. Update: Oral Health Status and Treatment Needs Survey of American Indians/Alaska Natives, IHS.
13.2d, h	Baseline: Hispanic Health and Nutrition Examination Survey, CDC, NCHS. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.3	Baseline: National Survey of Oral Health in U.S. Employed Adults and Seniors, 1985-86, NIH, NIDR. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.4, 13.4a	National Health Interview Survey, CDC, NCHS.
13.4b	Baseline: Oral Health Status and Treatment Needs Survey of American Indians/Alaska Natives, IHS. Update: National Health Interview Survey, CDC, NCHS.
13.5, 13.5a	Baseline: National Survey of Oral Health in U.S. Employed Adults and Seniors, 1985-86, NIH, NIDR. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.5b	Baseline: Survey of Oral Health, IHS. Update: Oral Health Status and Treatment Needs Survey of American Indians/Alaska Natives, IHS.
13.5c	Baseline: Hispanic Health and Nutrition Examination Survey, CDC, NCHS. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.6	Baseline: National Survey of Oral Health in U.S. Employed Adults and Seniors, 1985-1986, NIH, NIDR. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.7*, 13.7a,b	National Vital Statistics System, CDC, NCHS.
13.8	Baseline: National Survey of Dental Caries in U.S. School Children, 1986-1987, NIH, NIDR. Update: National Health and Nutrition Examination Survey, CDC, NCHS.
13.9	Fluoridation Census, CDC, NCPS.
13.10	National Health Interview Survey, CDC, NCHS.
13.11*, 13.11a,c,d	National Health Interview Survey, CDC, NCHS.
13.11b	1990 Baby Bottle Tooth Decay 5-Year Evaluation Report, IHS.
