## Health Status and Determinants

### Population

- 1. **Resident population**, according to age, sex, race, and Hispanic origin: United States, selected years 1950–2003 . . . . . **127**
- 2. Persons and families below **poverty** level, according to selected characteristics, race, and Hispanic origin: United States, selected years 1973–2003 . . . . . **130**

### Fertility and Natality

- 3. Crude birth rates, **fertility rates**, and **birth rates** by age of mother, according to race and Hispanic origin: United States, selected years 1950–2003 . . . . . **132**
- 4. **Live births**, according to plurality, and detailed race and Hispanic origin of mother: United States, selected years 1970–2003 . . . . . **134**
- 5. **Twin and higher order multiple births**, according to race, Hispanic origin, and age of mother: United States, selected years 1971–2003 . . . . . **136**
- 6. **Women 15–44 years of age who have not had at least 1 live birth**, by age: United States, selected years 1960–2002 . . . . . **137**
- 7. **Prenatal care** for live births, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2003 . . . . . **138**
- 8. **Early prenatal care** according to race and Hispanic origin of mother, geographic division, and State: United States, average annual 1995–97, 1998–2000, and 2001–2003 . . . . . **139**
- 9. **Teenage childbearing**, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2003 . . . . . **141**
- 10. **Nonmarital childbearing** according to detailed race and Hispanic origin of mother, and maternal age: United States, selected years 1970–2003 . . . . . **142**
- 11. **Maternal education** for live births, according to detailed race and Hispanic origin of mother: United States, selected years 1970–2003 . . . . . **143**
- 12. **Mothers who smoked cigarettes** during pregnancy, according to mother’s detailed race, Hispanic origin, age, and education: United States, selected years, 1989–2003 . . . . . **144**
- 13. **Low-birthweight** live births, according to mother’s detailed race, Hispanic origin, and smoking status: United States, selected years 1970–2003 . . . . . **145**
- 14. **Low-birthweight** live births among mothers 20 years of age and over, by mother’s detailed race, Hispanic origin, and education: United States, selected years 1989–2003 . . . . . **146**

- 15. **Low-birthweight** live births, according to race and Hispanic origin of mother, geographic division, and State: United States, average annual 1995–97, 1998–2000, and 2001–2003 . . . . . **147**
- 16. Legal **abortions** and legal **abortion ratios**, according to selected patient characteristics: United States, selected years 1973–2002 . . . . . **149**
- 17. **Contraceptive use** among women 15–44 years of age, according to age, race, Hispanic origin, and method of contraception: United States, 1982, 1988, 1995, and 2002 . . . . . **150**
- 18. **Breastfeeding** by mothers 15–44 years of age by year of baby’s birth, according to selected characteristics of mother: United States, average annual 1986–88 to 1999–2001 . . . . . **154**

### Mortality

- 19. **Infant, neonatal, and postneonatal mortality rates**, according to detailed race and Hispanic origin of mother: United States, selected years 1983–2002 . . . . . **155**
- 20. **Infant mortality rates** for mothers 20 years of age and over, according to mother’s education, detailed race, and Hispanic origin: United States, selected years 1983–2002 . . . . . **157**
- 21. **Infant mortality rates** according to birthweight: United States, selected years 1983–2002 . . . . . **158**
- 22. **Infant mortality rates**, fetal mortality rates, and perinatal mortality rates, according to race: United States, selected years 1950–2003 . . . . . **159**
- 23. **Infant mortality rates**, according to race, Hispanic origin, geographic division, and State: United States, average annual 1989–91, 1997–99, and 2000–2002 . . . . . **160**
- 24. **Neonatal mortality rates**, according to race, Hispanic origin, geographic division, and State: United States, average annual 1989–91, 1997–99, and 2000–2002 . . . . . **162**
- 25. **Infant mortality rates** and international rankings: Selected countries, selected years 1960–2002 . . . . . **164**
- 26. **Life expectancy** at birth and at 65 years of age, according to sex: Selected countries, selected years 1980–2001 . . . . . **165**
- 27. **Life expectancy** at birth, at 65 years of age, and at 75 years of age, according to race and sex: United States, selected years 1900–2003 . . . . . **167**
- 28. **Age-adjusted death rates**, according to race, Hispanic origin, geographic division, and State: United States, average annual 1979–81, 1989–91, and 2001–03 . . . . . **168**
- 29. **Age-adjusted death rates** for selected causes of death, according to sex, race, and Hispanic origin: United States, selected years 1950–2003 . . . . . **170**
- 30. **Years of potential life lost** before age 75 for selected causes of death, according to sex, race, and Hispanic origin: United States, selected years 1980–2003 . . . . . **174**

31. <b>Leading causes of death</b> and numbers of deaths, according to sex, race, and Hispanic origin: United States, 1980 and 2003 .....	178	48. Deaths from selected <b>occupational diseases</b> for persons 15 years of age and over: United States, selected years 1980–2003 .....	227
32. <b>Leading causes of death</b> and numbers of deaths, according to age: United States, 1980 and 2003 .....	182	49. <b>Occupational injury deaths</b> and rates by industry, sex, age, race, and Hispanic origin: United States, selected years 1992–2003 .....	228
33. Age-adjusted death rates, according to race, sex, region, and <b>urbanization</b> level: United States, average annual 1994–96, 1997–99, and 2000–2002. ....	184	<b>Determinants and Measures of Health</b>	
34. Age-adjusted death rates for persons 25–64 years of age for selected causes of death, according to sex and <b>educational attainment</b> : Selected States, 1994–2003 .....	187	50. <b>Occupational injuries</b> and illnesses with days away from work, job transfer, or restriction in the private sector, according to industry: United States, 2003 .....	230
35. <b>Death rates</b> for all causes, according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	189	51. Selected <b>notifiable disease rates</b> , according to disease: United States, selected years 1950–2003. ....	231
36. Death rates for <b>diseases of heart</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	193	52. Acquired immunodeficiency syndrome ( <b>AIDS</b> ) cases, according to year of diagnosis and selected characteristics of persons: United States, 1999–2003 .....	232
37. Death rates for <b>cerebrovascular diseases</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	196	53. Age-adjusted <b>cancer incidence rates</b> for selected cancer sites, according to sex, race, and Hispanic origin: Selected geographic areas, 1990–2002. ....	234
38. Death rates for <b>malignant neoplasms</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	199	54. Five-year relative <b>cancer survival rates</b> for selected cancer sites, according to race and sex: Selected geographic areas, 1974–76, 1980–82, 1986–88, 1989–91, 1992–94, and 1995–2001 .....	237
39. Death rates for <b>malignant neoplasms of trachea, bronchus, and lung</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	203	55. <b>Diabetes</b> among adults 20 years of age and over, according to sex, age, race and Hispanic origin: United States, 1988–94 and 1999–2002. ....	238
40. Death rates for <b>malignant neoplasm of breast</b> for females, according to race, Hispanic origin, and age: United States, selected years 1950–2003. ....	206	56. <b>Respiratory conditions</b> among adults 18 years of age and over, according to selected characteristics: United States, selected years 1997–2003 .....	239
41. Death rates for <b>chronic lower respiratory diseases</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1980–2003. ....	208	57. <b>Severe headache or migraine, low back pain, and neck pain</b> among adults 18 years of age and over, according to selected characteristics: United States, selected years 1997–2003 .....	241
42. Death rates for <b>human immunodeficiency virus (HIV) disease</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1987–2003. ....	211	58. <b>Limitation of activity</b> caused by chronic conditions, according to selected characteristics: United States, selected years 1997–2003 .....	243
43. <b>Maternal mortality</b> for complications of pregnancy, childbirth, and the puerperium, according to race, Hispanic origin, and age: United States, selected years 1950–2003. ...	213	59. <b>Vision and hearing limitations</b> among adults 18 years of age and over, according to selected characteristics: United States, selected years 1997–2003. ....	246
44. Death rates for <b>motor vehicle-related injuries</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	214	60. <b>Respondent-assessed health status</b> according to selected characteristics: United States, selected years 1991–2003 .....	248
45. Death rates for <b>homicide</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003 .....	218	61. <b>Serious psychological distress</b> among persons 18 years of age and over according to selected characteristics: United States, average annual 1997–98, 2000–2001, and 2002–03. ....	250
46. Death rates for <b>suicide</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1950–2003. ...	221	62. <b>Suicidal ideation, suicide attempts, and injurious suicide attempts</b> among students in grades 9–12, by sex, grade level, race, and Hispanic origin: United States, selected years 1991–2003 .....	252
47. Death rates for <b>firearm-related injuries</b> , according to sex, race, Hispanic origin, and age: United States, selected years 1970–2003 .....	224		

63. Current <b>cigarette smoking</b> for adults 18 years of age and over according to sex, race, and age: United States, selected years 1965–2003 . . . . .	254
64. Age-adjusted prevalence of current <b>cigarette smoking</b> for adults 25 years of age and over, according to sex, race, and education: United States, selected years 1974–2003 . . . . .	256
65. Current <b>cigarette smoking for adults</b> according to sex, race, Hispanic origin, age, and education: United States, average annual 1990–92, 1995–98, and 2001–03 . . . . .	257
66. <b>Use of selected substances</b> in the past month by persons 12 years of age and over, according to age, sex, race, and Hispanic origin: United States, 2002–03 . . . . .	259
67. <b>Use of selected substances</b> by high school seniors, tenth-, and eighth-graders, according to sex and race: United States, selected years 1980–2004 . . . . .	261
68. <b>Alcohol consumption</b> by adults 18 years of age and over, according to selected characteristics: United States, selected years 1997–2003 . . . . .	264
69. <b>Hypertension</b> (elevated blood pressure) among persons 20 years of age and over, according to sex, age, race and Hispanic origin, and poverty status: United States, 1988–94 and 1999–2002 . . . . .	267
70. <b>Serum cholesterol levels</b> among persons 20 years of age and over, according to sex, age, race and Hispanic origin, and poverty status: United States, 1960–62, 1971–74, 1976–80, 1988–94, and 1999–2002 . . . . .	269
71. <b>Mean energy and macronutrient intake</b> among persons 20–74 years of age, according to sex and age: United States, 1971–74, 1976–80, 1988–94, and 1999–2000 . . . . .	272
72. <b>Leisure-time physical activity</b> among adults 18 years of age and over, according to selected characteristics: United States, selected years 1998–2003 . . . . .	273
73. <b>Overweight, obesity, and healthy weight</b> among persons 20 years of age and over, according to sex, age, race and Hispanic origin, and poverty status: United States, 1960–62, 1971–74, 1976–80, 1988–94, and 1999–2002 . . . . .	275
74. <b>Overweight among children and adolescents</b> 6–19 years of age, according to sex, age, race and Hispanic origin, and poverty status: United States, selected years 1963–65 through 1999–2002 . . . . .	279

## Utilization of Health Resources

### Ambulatory Care

75. <b>Health care visits</b> to doctor's offices, emergency departments, and home visits within the past 12 months, according to selected characteristics: United States, selected years 1997–2003 . . . . .	281
76. <b>Influenza and pneumococcal vaccination</b> among persons 18 years of age and over, according to selected characteristics: United States, selected years 1989–2003 . . . . .	284
77. <b>Vaccinations</b> of children 19–35 months of age for selected diseases, according to race, Hispanic origin, poverty status, and residence in metropolitan statistical area (MSA): United States, 1995–2004 . . . . .	286
78. <b>Vaccination</b> coverage among children 19–35 months of age according to geographic division, State, and selected urban areas: United States, 1995–2004 . . . . .	288
79. <b>No health care visits</b> to an office or clinic within the past 12 months among children under 18 years of age, according to selected characteristics: United States, average annual 1997–98, 2000–2001, and 2002–03 . . . . .	290
80. <b>No usual source of health care</b> among children under 18 years of age, according to selected characteristics: United States, average annual selected years 1993–94 through 2002–03 . . . . .	292
81. <b>Emergency department visits</b> within the past 12 months among children under 18 years of age, according to selected characteristics: United States, selected years 1997–2003 . . . . .	294
82. <b>No usual source of health care</b> among adults 18–64 years of age, according to selected characteristics: United States, average annual 1993–94 through 2002–03 . . . . .	297
83. <b>Emergency department visits</b> within the past 12 months among adults 18 years of age and over, according to selected characteristics: United States, selected years 1997–2003 . . . . .	299
84. <b>Dental visits</b> in the past year according to selected characteristics: United States, selected years 1997–2003 . . . . .	301
85. <b>Untreated dental caries</b> , according to age, sex, race and Hispanic origin, and poverty status: United States, 1971–74, 1988–94, and 1999–2002 . . . . .	303
86. Use of <b>mammography</b> for women 40 years of age and over, according to selected characteristics: United States, selected years 1987–2003 . . . . .	305
87. Use of <b>Pap smears</b> for women 18 years of age and over, according to selected characteristics: United States, selected years 1987–2003 . . . . .	307
88. <b>Visits to physician offices and hospital outpatient and emergency departments</b> by selected characteristics: United States, selected years 1995–2003 . . . . .	309

89. <b>Injury-related visits</b> to hospital emergency departments by sex, age, and intent and mechanism of injury: United States, average annual 1995–96, 1998–99, and 2002–2003 . . . . .	312
90. <b>Visits to primary care generalist and specialist physicians</b> , according to selected characteristics and type of physician: United States, 1980, 1990, 2000, and 2003 . . . . .	314
91. <b>Prescription drug</b> use in the past month by sex, age, race, and Hispanic origin: United States, 1988–94 and 1999–2002 . . . . .	316
92. <b>Selected prescription and nonprescription drugs</b> recorded during physician office visits and hospital outpatient department visits, by age and sex: United States, 1995–96 and 2002–03 . . . . .	318
93. <b>Additions to mental health organizations</b> according to type of service and organization: United States, selected years 1986–2002 . . . . .	321
94. <b>Home health care patients</b> , according to age, sex, and diagnosis: United States, selected years 1992–2000 . . . . .	322
95. <b>Hospice patients</b> , according to age, sex, and diagnosis: United States, selected years 1992–2000 . . . . .	323

## Inpatient Care

96. <b>Discharges</b> , days of care, and average length of stay in short-stay hospitals, according to selected characteristics: United States, selected years 1997–2003 . . . . .	324
97. <b>Discharges</b> , days of care, and average length of stay in non-Federal short-stay hospitals, according to selected characteristics: United States, selected years 1980–2003 . . . . .	327
98. <b>Rates of discharges</b> and days of care in non-Federal short-stay hospitals, according to sex, age, and selected first-listed diagnoses: United States, selected years 1990–2003 . . . . .	329
99. <b>Discharges</b> and average length of stay in non-Federal short-stay hospitals, according to sex, age, and selected first-listed diagnoses: United States, selected years 1990–2003 . . . . .	332
100. <b>Hospital stays with at least one procedure</b> , according to sex, age, and selected procedures: United States, average annual 1992–93 and 2002–03 . . . . .	335
101. <b>Hospital admissions</b> , average length of stay, and outpatient visits, according to type of ownership and size of hospital, and percent outpatient surgery: United States, selected years 1975–2003 . . . . .	338
102. <b>Nursing home residents</b> 65 years of age and over, according to age, sex, and race: United States, 1973–74, 1985, 1995, and 1999 . . . . .	339
103. <b>Nursing home residents</b> 65 years of age and over, according to selected functional status and age, sex, and race: United States, 1985, 1995, and 1999 . . . . .	340

## Health Care Resources

### Personnel

104. <b>Persons employed</b> in health service sites, according to sex: United States, selected years 2000–2004 . . . . .	341
105. Active <b>physicians</b> and doctors of medicine in patient care, according to geographic division and State: United States, 1975, 1985, 1995, and 2003 . . . . .	342
106. <b>Doctors of medicine</b> , according to activity and place of medical education: United States and outlying U.S. areas, selected years 1975–2003 . . . . .	344
107. <b>Doctors of medicine</b> in primary care, according to specialty: United States and outlying U.S. areas, selected years 1949–2003 . . . . .	345
108. Active <b>health personnel</b> according to occupation: United States, selected years 1980–2001 . . . . .	346
109. First-year enrollment and <b>graduates of health professions schools</b> and number of schools, according to profession: United States, selected years 1980–2003 . . . . .	347
110. <b>Total enrollment of minorities</b> in schools for selected health occupations, according to detailed race and Hispanic origin: United States, academic years 1980–81, 1990–91, 2001–02, and 2002–03 . . . . .	348
111. First-year and total <b>enrollment of women</b> in schools for selected health occupations, according to detailed race and Hispanic origin: United States, academic years 1980–81, 1990–91, and 2002–03 . . . . .	350

### Facilities

112. <b>Hospitals</b> , beds, and occupancy rates, according to type of ownership and size of hospital: United States, selected years 1975–2003 . . . . .	351
113. <b>Mental health organizations</b> and beds for 24-hour hospital and residential treatment according to type of organization: United States, selected years 1986–2002 . . . . .	352
114. <b>Community hospital beds</b> and average annual percent change, according to geographic division and State: United States, selected years 1960–2003 . . . . .	353
115. <b>Occupancy rates</b> in community hospitals and average annual percent change, according to geographic division and State: United States, selected years 1960–2003 . . . . .	354
116. <b>Nursing homes</b> , beds, occupancy, and residents, according to geographic division and State: United States, 1995–2003 . . . . .	355
117. <b>Medicare-certified providers and suppliers</b> : United States, selected years 1980–2003 . . . . .	357

## Health Care Expenditures and Payors

### National Health Expenditures

118. <b>Total health expenditures</b> as a percent of gross domestic product and per capita health expenditures in dollars: Selected countries and years 1960–2002.....	359
119. Gross domestic product, Federal and State and local government expenditures, <b>national health expenditures</b> , and average annual percent change: United States, selected years 1960–2003.....	360
120. <b>Consumer Price Index</b> and average annual percent change for all items, selected items, and medical care components: United States, selected years 1960–2004.....	361
121. <b>Growth in personal health care expenditures</b> and percent distribution of factors affecting growth: United States, 1960–2003.....	362
122. <b>National health expenditures</b> , average annual percent change, and percent distribution, according to type of expenditure: United States, selected years 1960–2003.....	363
123. <b>Personal health care expenditures</b> , according to type of expenditure and source of funds: United States, selected years 1960–2003.....	365
124. <b>Expenses for health care and prescribed medicine</b> according to selected population characteristics: United States, selected years 1987–2002.....	367
125. <b>Sources of payment for health care</b> according to selected population characteristics: United States, selected years 1987–2002.....	369
126. <b>Out-of-pocket health care expenses</b> for persons with medical expenses by age: United States, selected years 1987–2002.....	371
127. <b>Expenditures for health services</b> and supplies and percent distribution, by type of payer: United States, selected calendar years 1987–2003.....	372
128. <b>Employers’ costs</b> per employee-hour worked for total compensation, wages and salaries, and <b>health insurance</b> , according to selected characteristics: United States, selected years 1991–2005.....	374
129. <b>Hospital expenses</b> , according to type of ownership and size of hospital: United States, selected years 1980–2003....	376
130. <b>Nursing home average monthly charges</b> per resident and percent of residents, according to primary source of payments and selected facility characteristics: United States, 1985, 1995, and 1999.....	377
131. <b>Mental health expenditures</b> , percent distribution, and per capita expenditures, according to type of mental health organization: United States, selected years 1975–2002.....	378

## Health Care Coverage and Major Federal Programs

132. <b>Private health insurance</b> coverage among persons under 65 years of age, according to selected characteristics: United States, selected years 1984–2003.....	379
133. <b>Medicaid coverage</b> among persons under 65 years of age, according to selected characteristics: United States, selected years 1984–2003.....	382
134. <b>No health insurance coverage</b> among persons under 65 years of age, according to selected characteristics: United States, selected years 1984–2003.....	384
135. <b>Health insurance coverage</b> for persons 65 years of age and over, according to type of coverage and selected characteristics: United States, selected years 1989–2003 ...	386
136. <b>Health maintenance organization (HMO)</b> coverage among persons under 65 years of age by private insurance and Medicaid, according to selected characteristics: United States, 1998–2003.....	389
137. <b>Health maintenance organizations (HMOs)</b> and enrollment, according to model type, geographic region, and Federal program: United States, selected years 1976–2004 ...	391
138. <b>Medical care benefits</b> for employees of private establishments by size of establishment and occupation: United States, selected years 1990–97.....	392
139. <b>Medicare</b> enrollees and expenditures and percent distribution, according to type of service: United States and other areas, selected years 1970–2004.....	394
140. <b>Medicare</b> enrollees and program payments among fee-for-service Medicare beneficiaries, according to sex and age: United States and other areas, 1994–2002.....	396
141. <b>Medicare</b> beneficiaries by race and ethnicity, according to selected characteristics: United States, 1992 and 2001...	397
142. <b>Medicaid</b> recipients and medical vendor payments, according to basis of eligibility, and race and ethnicity: United States, selected fiscal years 1972–2001.....	399
143. <b>Medicaid</b> recipients and medical vendor payments, according to type of service: United States, selected fiscal years 1972–2001.....	400
144. <b>Department of Veterans Affairs</b> health care expenditures and use, and persons treated according to selected characteristics: United States, selected fiscal years 1970–2003.....	402

## State Health Expenditures and Health Insurance
