

Healthy People 2010 Operational Definition

- 23-5. (Developmental) Increase the proportion of Leading Health Indicators, Health Status Indicators, and Priority Data Needs for which data—especially for select populations—are available at the Tribal, State, and local levels.**

Comments

This objective was deleted during at the Healthy People 2010 Midcourse Review due to a lack of national data source. The objective was then combined with objective 23-2.
